STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

The members at their Annual General Meeting held on 04.08.2016 had approved the re-appointment of Raja Charity Trust (RCT) as the sole selling Agent for 5 years from 03.05.2017 to 2.05.2022, at a commission of 1% on the sale value of the Company's products based on orders procured by them. During the last financial years of existing term, substantial part of sales were held through them. Hence it is felt advantageous to the Company to continue the sole selling agency for a further period of 5 (five) years. In terms of Regulation 23(1) of SEBI (LODR) Regulations, 2015, the sales arising out of the orders procured by Raja Charity Trust is classified as Material transaction with the related party as it exceeds 10% of annual consolidated turnover.

Since the sale of products through RCT may be more than 10% of the Consolidated Turnover of the Company, amounts to "Material transaction" with the related party and requires approval of shareholders by Resolution.

The contract with RCT is available for inspection at the Registered Office between 2 p.m. and 4 p.m. on all working days up to the date of the Annual General Meeting.

None of the Directors, Key Managerial Personnel or their relatives except Shri.P.R. Venketrama Raja, Shri Abinav Ramasubramania Raja and Sri.S S Ramachandra Raja, as the trustees of RCT and their relatives are concerned or interested financially or otherwise in this item of business.

Item No. 4

In accordance with the provisions of Section 148 of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint a cost auditor to audit the cost records of Company, relating to manufacture of Fibre Cement Products (FCP & CSB) and Cotton Yarn.

On the recommendation of the Audit Committee at its meeting held on 24.05.2021, the Board had approved the appointment of M/s. N. Sivashankaran & Co., Cost Accountants as the Cost Auditors of the Company to audit the Company's Cost Records relating to manufacture of Fibre Cement Products (FCP & CSB) and Cotton Yarn, for the financial year 2021-22. The Board had approved a remuneration of ₹ 2,50,000/- (Rupees Two lakh fifty thousand only) exclusive of GST and Out-of-pocket expenses.

The remuneration to be paid to the cost auditor is required to be ratified by the members, in accordance with the provisions of Section 148(3) of the Companies Act, 2013 and Rule 14 of Companies (Audit and Auditors) Rules, 2014.

The Directors recommend the Resolution to the Members for their approval. None of the Directors, Key Managerial Personnel or their relatives are interested in this Resolution.

Item No. 5

PLAN A

The Company is proposing Employee Stock Option Schemes, to reward those who had put in long service and contributed to the growth of the Company. The objective of the scheme is to give them opportunity to participate and gain from the Company's performance, thereby acting as a suitable reward. Participation in the ownership of the Company, through share based compensation schemes will be a just reward for the employees for their continuous hard work, dedication and support, which has led the company to be what it is today. The scheme is also intended to attract and retain key talents and motivate them to contribute for the Company's progress and profitability.

Accordingly, the Company had formulated "Employee Stock Option Scheme 2021 - Plan A" (ESOS 2021 - PLAN A) with the aggregate shares underlying the stock option scheme as 5,00,000 equity shares of ₹ 1/- each. The scheme will be extended to the Employees of the Company, as defined in Regulation 2(1)(f) of SBEB.

The scheme will be implemented in accordance with Rule 12 of the Rules and SBEB and such other laws, as may be applicable in this regard, by the Nomination and Remuneration Committee of the Company.

The main features of the ESOS 2021 - PLAN A are as under :

1. Brief Description of the Scheme(s):

This proposed Scheme called Employees Stock Option Scheme 2021 - Plan A (ESOS 2021 - PLAN A) is intended to reward the Eligible Employees of the Company, for their performance and to motivate them to contribute to the progress and profitability of the Company. The Company also intends to use this Scheme to retain talent in the organization as it views options as instruments that would enable the Employees to share the value they create for the Company.

2. Total number of options to be granted:

Such number of options would be available for grant to the eligible employees of the Company under ESOS 2021 - PLAN A, in one or more tranches exercisable up to 5,00,000 (Five Lakhs) Equity Shares in the Company of face value of ₹ 1/- each fully paid-up. Vested options lapsed due to non-exercise and/or unvested options that get cancelled due to resignation/termination of the employees or otherwise, would be available for being re-granted at a future date. The Committee is authorized to re-grant such lapsed / cancelled options as per the provisions of ESOS 2021 - PLAN A, within overall ceiling. The SBEB require that in case of any corporate action(s) such as rights issues, bonus issues, merger and sale of division, and others, a fair and reasonable adjustment needs to be made to the options granted. Accordingly, the Committee is authorised to decide on issue of additional options, in such circumstances, subject to compliance of the SEBI (SBEB) Regulations.

3. Identification of classes of employees entitled to participate in ESOS 2021- PLAN A:

The Permanent employees of the Company, who have put in 10 years of service are entitled to participate in ESOS 2021 - PLAN A.

Following persons are not eligible:

- a) an employee who is a Promoter or belongs to the Promoter Group;
- b) a Director who either by himself or through his relatives or through any Body corporate, directly or indirectly holds more than 10% of the outstanding Equity Shares of the Company; and
- c) an Independent Director within the meaning of the Companies Act, 2013.

4. Requirements of vesting and period of vesting:

The options granted shall vest so long as an employee continues to be in the employment of the Company. The Committee may, at its discretion, lay down certain performance metrics on the achievement of which such options would vest, the detailed terms and conditions relating to such vesting, and the proportion in which options granted would vest subject to the minimum vesting period of 1 (one) year.

The vesting dates in respect of the options granted under the Scheme may vary from employee to employee or any class thereof and/or in respect of the number or percentage of options granted to an employee.

5. Maximum period within which the options shall be vested:

Options granted under ESOS 2021 - PLAN A would vest subject to maximum period of 5 (five) years from the date of grant of such options, as may be decided by the Committee.

6. Exercise price or pricing formula:

The Exercise Price shall be equal to ₹ 1/- (Rupee One only) per option or any other price as may be decided by the Committee.

7. Exercise period and the process of Exercise:

The options vested during a financial year can be exercised by the Grantee on or before 31st December of the immediately succeeding Financial Year.

The Vested options shall be exercisable by the employees by an application to the Company expressing his/her desire to exercise such options in such manner and on such format as may be prescribed by the Committee from time to time. The options shall lapse if not exercised within the specified exercise period.

8. Appraisal process for determining the eligibility of employees under ESOS 2021 - PLAN A :

The appraisal process for determining the eligibility of the employees will be decided by the Committee from time to time.

9. Maximum number of options to be issued per employee and in aggregate:
The number of options that may be granted to any specific employee of the Company under ESOS 2021 - PLAN A, shall not exceed ₹ 1 lakh in any financial year and shall not exceed ₹ 2 lakh in aggregate.
10. Maximum Quantum of benefits to be provided per employee under the ESOS 2021 - PLAN A:
The Maximum quantum of benefits underlying the options issued to an eligible employee shall depend upon the Market Price of the shares as on the date of sale of shares arising out of Exercise of options.
11. Scheme of implementation:
The Scheme shall be implemented and administered directly by the Company.
12. Source of Shares:
The Scheme contemplates fresh Issue of Shares by the Company ("Primary Shares").
13. The amount of loan provided for implementation of the Scheme by the Company to the Trust, its tenure, utilisation, repayment terms etc.:
Company is not providing any loan for ESOS 2021 - PLAN A purpose, as Company is directly implementing the plan.
14. Maximum percentage of Secondary Acquisition (subject to limits specified under the Regulations) that can be made by the Trust for the purchase under the scheme:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Macroeconomic Review

Global Economy

The global growth contraction for 2020 is estimated at -3.5% as against 2.9% growth in 2019. Despite the high and rising human toll of the pandemic, economic activity appears to be adapting to subdued contact-intensive activity with the passage of time. Advanced economies contracted 4.9% in 2020 but are expected to grow at 4.3% in 2021. Emerging markets witnessed lower economic impact than advanced economies in 2020 at 2.4% contraction and higher expected growth at 6.3% in 2021. The sizeable fiscal support and additional policy measures announced at the end of 2020 – notably in the United States and Japan – are expected to provide support to the global economy. Amid exceptional uncertainty, the global economy is projected to grow 5.5% in 2021 and 4.2% in 2022. Multiple vaccine approvals and the successful vaccination drive carried out in most countries in early 2021 have raised hopes of an eventual end to the pandemic.¹

Indian Economy

The Indian economy was negatively impacted by an unprecedented health crisis in 2020-21 with the highly contagious corona virus (Covid-19) spreading across the country. In response to the pandemic, Government had taken several proactive preventive and mitigating measures including imposing of nationwide lockdown with subsequent extensions and relaxations, to contain the spread of Covid-19 while ramping up the health infrastructure in the country. The lockdown measures taken by the government, imposed to contain the spread of Covid-19 pandemic in India, ubiquitously affected employment, business, trade, manufacturing, and services activities. Though the threat of the pandemic continues to hover around, social distancing continues to be the most effective tool to combat the pandemic as activity levels continue to rise in the economy boosted by the rapidly escalating inoculation drive.

Monetary policy remained accommodative during 2020. The policy rates were kept unchanged in further meetings, but the liquidity support was significantly enhanced.

After a 7.8% pandemic driven contraction in the ongoing fiscal, India's real GDP is projected to record an expansion of 10.1% in FY 2022. Nominal GDP is expected to expand by 14.0% in FY 2022, the highest in the current-series

Agriculture sector continues to show robust growth and is instrumental in strengthening rural demand along with MGNREGS that has created 3.5 billion person days of employment in 11 months of FY 2020-21, 41.6% higher than in the previous year. The forecast of a normal monsoon by the India Meteorological Department (IMD) for 2021 sowing season augurs well for agriculture output and farm incomes.

Aided by rising rural incomes and growing preference for private transport, strong signs of recovery in automobile sales are expected. Reassuring of a demand resumption in automobiles sector is further strengthened by softening of inflation to a 16-month low of 4.1% in January 2021. Rapid production and deployment of vaccination will be critical to taking forward the health stimulus deep into FY 2021-22.

As a result of recovering investor sentiment, recovery in manufacturing and construction, investment focused Government spending and massive vaccination drive undertaken by the Government, India's GDP growth is likely to rebound sharply to 12.6% in FY 2021-22 supported by strong fiscal and quasi-fiscal measures, making it the fastest-growing economy in the world, as per Organization for Economic Co-operation and Development (OECD).²

The economic activity is expected to recover gradually from the second half of the year 2021-22.

Review of Operations and Current Trends

A. BUILDING PRODUCTS DIVISION:

PRODUCT	PRODUCTION Qty. in M.T.		SALES Qty. in M.T.		TURNOVER ₹ in Lakhs	
	31.03.21	31.03.20	31.03.21	31.03.20	31.03.21	31.03.20
Fibre Cement Sheets	6,10,925	5,66,436	6,22,731	5,44,414	71,361	54,097
Fibre Cement Boards	68,032	69,468	75,387	72,770	13,166	13,774

(a) Fibre Cement (FC) Sheets:

During the year under review, the Sales quantity of FC Sheets grew by around 14% compared to previous year and the Industry reportedly grew by 11% for the year. Specific Markets in East and West registered a strong growth.

New geographical markets for sales are being explored amid stiff competition.

Realisation growth was 16% compared to previous year. There was a robust demand for AC sheets throughout the year largely due to strong rural demand for housing of returned migrant labour in their home towns and re-starting of halted projects, post Covid wave 1 lock down.

Depreciation of Rupee also affected the raw material's cost. Consistent and Judicious usage of raw materials and supplier negotiations helped to partially mitigate the impact.

It is expected that Union Government's initiatives on Rural development, good monsoon and Prime Minister's Swachh Bharat Abhiyan scheme and Awaz Yojana for providing financial support for housing for the poor, Better minimum support prices to agriculture crop by the Government, resolving farmers issue, firming up of steel and iron prices will be boost for fibre cement products and reverse the trend. Promotional efforts are vigorously taken to explore new potential areas with more customized products.

Greencor, Non-Asbestos roofing sheets have been well accepted in the market and sales has been in encouraging state.

(b) Fibre Cement Boards :

Efforts are taken to increase Production and Sales during the year under review. New variants with superior features were well received in the Market. New vertical created for penetration into plywood counters. Marketing initiatives such as TV Commercials done to create awareness of the various product range. There has been increase in production compared to last year, Sales picked up from the second half and overall there has been marginal increase compared to last year. Export Markets picked up in Hilux with a growth of almost 150%, due to higher specifications and better quality against Chinese brands which are less preferred in the international markets.

There were a quite a few large volume orders which remained unexecuted due to very steep increase in freight costs, and also due to acute shortage in container availability. Steady increase in demand for Greencor is seen from Nepal, Oman & UAE.

Sale of Boards has increased by 16% in Volume & by 18% in Value terms. 5 New Export markets have been added and Export Sales has been very positive during the last financial Year. Further growth is expected in the coming quarters as new markets are being added.

Smart Build Operations offering complete solutions in Green Dry Construction to customers, was started in September 2017 and turnkey projects with an approximate value of ₹ 10 Crores are under execution which is promising venture and approximately ₹ 15 Crores of business is expected in the year 2021-2022.

New products like G I Frames and Accessories used in Dry wall Partition and False Ceiling, Sandwich Panels, Mineral Fibre Tiles & Shingles are planned and sourced in the RAMCO brand, adding to the basket of offerings to the customers.

In this year Smart Build Team and R&D are Jointly working in the Development of Prefab Dry Wall Panels and Factory Engineered Buildings.

(c) Fibre Cement Pressure Pipes:

Operations of Pressure Pipes continued to be under pressure owing to the sluggish market. The Union Government's infrastructure initiatives are expected to increase the sale of this product.

B. WIND MILLS:

During the Financial Year 2020-21, the Wind energy was moderate with decrease of 7% compared to last year, from the existing 15 Wind Mills.

Position regarding Wind Mills was as follows: -

Total Capacity Installed	: 16.73 MW
Total Units generated	: 239 Lakh Units (P.Y: 257 Lakh Units)
Income earned (by generation/sale of power)	: ₹ 1456 Lakhs (P.Y: ₹ 1559 Lakhs)

C. COTTON YARN DIVISION - SRI RAMCO SPINNERS :

Production and Sales :

During the year 2020-21, the Unit had produced 25.03 Lakh Kgs. of Cotton Yarn as compared to 25.00 Lakh Kgs. produced during the previous year.

The Unit had sold Yarn at 33.28 Lakh Kgs. (including traded yarn) during the year under review as against 30.31 Lakh Kgs. during the year 2019-20.

During the year under review, the performance of the Cotton yarn division increased when compared to previous year. Increase of yarn selling price, reduction in power cost, due to implementation of energy savings measures and decrease of manpower cost on account of Automation of machineries in the second half year, contributed for growth in the performance of the Company and savings in the operating cost during the year 2020-21.

Expecting the same Level of moderation in cotton prices & stability in yarn prices, your Directors are hopeful in achieving good results during the year 2021-22.

The Company was able to overcome the challenges posed by pandemic by continuous engagement with the Customers and none of the sales contracts was cancelled during this challenging period, though there was some deferment in the delivery schedule, which has been subsequently shipped successfully.

The yarn market in India has bounced back after witnessing a slowdown in last 2 years. Due to geopolitical factors like trade war between US and China and diversion of sourcing textile products by many top global garment brands from China to India boosted the demand for textile products including yarn manufactured in India.

The Company is taking various steps to expand its market presence both in domestic and international markets and hope to achieve higher volume of sales in value added yarns in the forthcoming years.

D. OVERSEAS OPERATIONS OF SUBSIDIARIES - SRI RAMCO LANKA (PRIVATE) LIMITED AND SRI RAMCO ROOFINGS LANKA (PRIVATE) LIMITED, SRI LANKA:

There was increase in sales during the last year.

At a Consolidated level of both the Companies, the Net Sales were SLR 58,135 lakhs (INR 22,934 lakhs) as against SLR 41,533 lakhs (INR 16,414 lakhs) during the corresponding previous year.

FUTURE OUTLOOK

As the country is now going through the second wave of the COVID pandemic, with a huge surge in fresh cases, put a squeeze on health care system. Compared to the 1st Covid wave, this has hit the rural pockets of country. All key markets are completely closed due to imposition of lock down in several provinces by respective State Government and all the construction related activity have been halted. Anticipation of severe backlash on employment due to lock down and spiraling spread of Covid, Migrant labour are once again started reverse migrating to their hometowns and hence there is an acute shortage of skilled labour, coupled with work stoppage in most major projects. State Governments monitoring and managing migration of labour. This trend is expected to continue until the close of 2nd quarter of the year, and hence business outlook seems to be largely on a reduced scale.

New construction activity which started off promisingly in the rural markets post Covid wave 1, largely because of good harvest and migrant population moving post Covid 1 wave to their home towns, seeking larger home space for their families, put on hold due to COVID 2.

The construction industry is set to hit a decadal high volume growth of 13% in FY 2021-22 aided by an expected revival in demand from the infrastructure and urban housing sectors in line with 26% increase in budgetary allocation for infrastructure in the Union Budget 2021-22. In addition to these sectors, rural demand is also expected to sustain on the back of higher rural incomes witnessed in FY 2020-21 and by positive farm sentiment with timely rabi sowing and favourable groundwater and reservoir levels, which are likely to boost rabi yields. With favorable monsoon in 2020 in most parts of the country the outlook for Kharif crop too looks promising. PMAY-G is expected to sustain momentum as it utilizes its potential to engage rural workforce and drive rural employment. Sufficient cash inflow in the rural economy could commensurate in rural infrastructure creation thus augmenting cement demand.

As we are well positioned in the rural markets, we expect to reap the benefit of demand growth there. The Union Budget for the year 2021-22 focused on uplifting of the rural economy, strengthening of the agriculture sector, annual cash incentive for small farmers, infrastructure creation and MSME Sector which would augur well for the industry, subject to tapering of the Covid wave.

Goods and Services Tax (GST), a single tax to replace the erstwhile Central and State multi taxes and levies, is stabilized and moderated.

Your Company is prepared to meet the demand of the products and is taking initiatives to increase the market especially in Boards business. USD-INR volatility could be a dampener for the profitable growth.

INDEPENDENT AUDITOR'S REPORT

To the Members of RAMCO INDUSTRIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone financial statements of **RAMCO INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss, the Statement of changes in Equity and the Statement of cash flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No. 49 to the Standalone financial statement, which describes the uncertainties and the impact of the COVID-19 pandemic on the company's operations and results as assessed by the management. The Management has assessed that there is no material impact on the financial statements due to lockdown and related restrictions imposed towards controlling the COVID 19 pandemic. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p>Recognition and measurement of deferred taxes</p> <p>The recognition and measurement of deferred tax items requires determination of differences between the recognition and the measurement of assets, liabilities, income and expenses in accordance with the Income Tax Act and other applicable tax laws including application of ICDS and financial reporting in accordance with Ind AS.</p> <p>Assessment of Deferred Tax Assets is done by the management at the close of each financial year taking into account forecasts of future taxable results.</p> <p>We have considered the assessment of deferred tax liabilities and assets as a key matter due to the importance of management's estimation and judgment and the materiality of amounts.</p> <p>(Refer to Note No. 4.4.4, 4.4.5 and 4.4.6 to the Standalone Financial Statements)</p>	<p>Principal Audit Procedures</p> <p>The key matter was addressed by performing audit procedures which involved assessment of underlying process and evaluation of internal financial controls with respect to measurement of deferred tax and assessment of the items leading to recognition of deferred tax in light of prevailing tax laws and applicable financial reporting standards.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>

<p>2</p>	<p>Evaluation of uncertain Tax Position/ Other contingent liabilities</p> <p>The Company has material uncertain tax position in respect of possible or actual taxation disputes, litigations and claims. The provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various legal forums.</p> <p>(Refer to Note No. 38 to the Standalone Financial Statements)</p>	<p>Principal Audit Procedures</p> <p>The Audit addressed this Key Audit Matter by assessing the adequacy of tax Provisions by reviewing the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We reviewed the significant litigations and claims and discussed with the Company's legal counsel, external advisors about their views regarding the likely outcome and magnitude of and exposure to relevant litigation and claims.</p> <p>We also reviewed the relevant judgements and the opinions given by the company's advisers, which were relied on by the management for such claims.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>
<p>3</p>	<p>Existence and impairment of Trade Receivables</p> <p>Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business, the requirements of customers and various contract terms are in place, there is a risk that the carrying values may not reflective of their recoverable amounts as at the reporting date, which would require an impairment provision. Where there are indicators of impairment, the company undertakes assessment of the recoverability of the amounts. Given the magnitude and inherent uncertainty involved in the judgement, in estimating impairment assessment of trade receivables, we have identified this as a key audit matter.</p> <p>(Refer to Note No. 12 to the Standalone Financial Statements)</p>	<p>Principal Audit Procedures:</p> <p>We performed audit procedures on the assessment of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of impairment on trade receivables requires judgement and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable.</p> <p>We also reviewed the system of obtaining monthly confirmation from the customers, which are kept in electronic mode by the company. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Report on CSR activities, and Shareholders information but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs, profit or loss including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of Companies Act 2013 read with relevant rules issued there under and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions

of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Standalone Financial Statements includes financial performance of a foreign branch which reflects total assets of ₹ 185.53 Lakhs, total revenue of ₹ Nil and net cash outflow amounting to ₹ 6.03 Lakhs for the year ended on 31st March 2021, which was audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the Standalone financial statements solely based on such audited financial statements.

Our attendance at the physical inventory verification done by the management was impracticable under the current lockdown restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 "Audit Evidence - Specific considerations for selected items" and have obtained sufficient audit evidence to issue our un-modified opinion on these Standalone financial results.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
- (d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of changes in equity and the statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (e) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our Separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial control over financial reporting.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS PREPARED IN ACCORDANCE WITH THE INDIAN ACCOUNTING STANDARDS OF RAMCO INDUSTRIES LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. RAMCO INDUSTRIES LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

1. CORPORATE INFORMATION

Ramco Industries Limited is a Public Limited Company domiciled and headquartered in India and incorporated under the provisions of Companies Act 1956. The Registered office of the Company is located at No. 47 P.S.K Nagar, Rajapalayam - 626 108, Tamilnadu and corporate office of the company is located at “Auras corporate centre”, VI Floor, 98A- Dr. Radhakrishnan Road, Mylapore, Chennai - 600 004, Tamil Nadu. The Company’s shares are listed in BSE Limited and NSE Limited.

The Company is engaged in manufacture of Fiber Cement (FC) sheets and Calcium Silicate Boards (CSBs). The Company’s segments are building products, Textiles and power generation from wind mills. The Company caters mainly to the domestic markets. The Company is also engaged in sale of surplus electricity generated from its windmills after meeting its captive requirements.

The financial statements of the Company for the year were approved and adopted by Board of Directors of the Company in their meeting dated 24.05.2021

2. BASIS OF PREPARATION OF SEPARATE FINANCIAL STATEMENTS

- 2.1 The Company has prepared its financial statements in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.
- 2.2 The significant accounting policies used in preparing the financial statements are set out in Note No.4
- 2.3 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- 2.4 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- 2.5 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- 2.6 The financial statements are presented in Indian Rupees rounded off to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

3. BASIS OF MEASUREMENT

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 4.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Inventories

- 4.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- 4.1.2 Process stock is valued at moving weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.
- 4.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.2 Cash Flow Statement

- 4.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- 4.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.
- 4.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

4.3 Dividend distribution to Equity shareholders

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes (If any) is recognised directly in Equity.

4.4 Income Taxes

- 4.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- 4.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.
- 4.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- 4.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- 4.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- 4.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- 4.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

4.5 Property, Plant and Equipments (PPE)

- 4.5.1. PPEs are stated at cost of acquisition or construction (net of GST wherever eligible and applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 4.5.2 The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset type	Useful life ranging from
Buildings	3 to 60 years
Plant and Machinery	5 to 25 years
Windmills	5 to 25 years

- 4.5.3 PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 4.5.4 PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 4.5.5 Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value or any value whichever is less.
- 4.5.6 Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- 4.5.7 The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

Capital Work in progress

- 4.5.8 Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date
- 4.5.9 Advances given towards acquisition / construction of PPE, outstanding as at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'

4.6 Leases

- 4.6.1 The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous figures has not been restated and continue to be reported under Ind AS 17.
- 4.6.2 Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable leases is more than 12 months, at the present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability, adjusted for prepaid lease payments recognised in the balance immediately before the date of initial application.
- 4.6.3 The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is dependent on the use of an underlying asset and the arrangement conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

- 4.6.4 The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 4.6.5 The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.
- 4.6.6 The estimated useful lives of right-of-use assets are determined on the same basis as those of Property Plant and Equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.
- 4.6.7 The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities in 'Financial Liabilities' in the Balance sheet.
- 4.6.8 The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a Lessor

- 4.6.9 The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.11 Borrowing Costs

4.11.1 Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

4.11.2 Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the general borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. To the extent that funds are borrowed specifically for the purpose of obtaining a qualifying asset, the amount of borrowing cost eligible for capitalisation on that asset is determined as the actual borrowing costs incurred on that borrowing during the period less any income on the temporary investment of those borrowings. The amount of borrowing cost that the Company capitalises does not exceed the amount of borrowing cost incurred during that period. All other borrowings cost is expensed in the period in which they occur.

4.12 Earnings per Share

4.12.1 Net profit after tax is divided by the weighted average number of equity shares including un-allotted bonus shares outstanding if any, during the year.

4.12.2 Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.

4.12.3 The Company do not have any potential equity shares.

4.13 Impairment of Non-Financial Assets

4.13.1 The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

4.13.2 Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

4.13.3 An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

4.13.4 An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

4.14 Provisions, Contingent Liabilities and Contingent Assets

4.14.1 Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

4.14.2 Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

4.14.3 Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.

4.14.4 Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

4.15 Intangible Assets

4.15.1 The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.15.2 Intangible Assets are amortised over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team. Its accounting classification is given below:

Nature of Intangible assets	Estimated useful life
Computer software	5 years
Amortisation of Intangible assets	Accounting classification
Computer software	Depreciation & Amortisation

4.15.3 The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.

4.15.4 The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

4.16 Investment Properties

4.16.1 An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.

4.16.2 Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.

4.16.3 The company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

4.16.4 Depreciation on investment properties are calculated on straight-line method based on useful life of the significant components.

Asset type	Useful life ranging from
Buildings under Investment properties	60 years

4.16.5 Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.

4.16.6 The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

4.17 Operating Segments

Operating segment has been identified on the basis of nature of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.

The Company has three operating/reportable segments viz. building products, textile and wind power generation.

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

4.18 Financial Instruments

4.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

4.18.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

Financial Assets

4.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

4.18.5 Investment in equity instrument and mutual funds are recognised based on the date of contract note where the transaction is entered through stock exchanges and based on date of allotment in respect of others.

4.18.6 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortised cost; or
- b) Fair value through other comprehensive income (FVTOCI); or
- c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

4.18.7 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

4.18.8 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.18.9 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

4.18.10 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Financial Liabilities

4.18.11 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.

4.18.12 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

4.18.13 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

4.18.14 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

4.18.15 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

4.19 Fair value measurement

4.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

4.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

4.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

4.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

4.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

Investments in Equity / Mutual Funds

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

Trade and other receivables

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

Financial guarantee obligation

The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

Investment Properties

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

5. SIGNIFICANT ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer which is based on market factors namely demand and supply. The Company offers credit period to customers for which there is no financing component.

Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Asset (Including MAT Credit Entitlement)

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Impairment of Trade receivables

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability.

Defined Benefit Plans and Other long term benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value the inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Impairment of Investments in Subsidiaries / Associates

Significant management judgement is exercised in determining whether the investment in subsidiaries / associates are impaired or not is on the basis of its nature of long term strategic investments and business projections.

Interests in other entities

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 38.2.4 The Company had put up a plant in Silvassa in The Union Territory of Daman, Diu, Dadra and Nagar Haveli in the year 1998 and availed VAT and CST exemption for the period of 15 years ending on March 2013 based on a certificate of exemption given by appropriate authority in exercise of powers conferred on it by relevant provision of the CST Act, 1956. This power of granting exemption was withdrawn with retrospective effect by an amendment in Finance Act 2002 and the sales tax department has followed it up by issuing a circular for compulsory production of concessional sales tax forms for availing CST exemption. The differential sales tax liability for the year 1998 to the year 2002 works out to ₹ 37 Crores. However, the Company was not in receipt of any demand from the appropriate authority. Aggrieved by the department circular and as an additional precaution, the Company had filed an appeal with Bombay High Court and the Bombay High Court has quashed the circular issued by the Commercial tax department, Silvassa, The Union Territory of Daman, Diu, Dadra and Nagar Haveli thereby allowing continuance of CST exemption even after amendment of relevant provision of CST Act, 1956 by the Finance Act, 2002. But the department of Commercial Tax, Silvassa has preferred an appeal against the Bombay High Court order before the Honourable Supreme Court and the adjudication and the court hearing is in process pending final disposal by the Honourable Supreme Court.
- Based on the decision of Bombay High Court and interpretations of other relevant provisions, the Company has been legally advised that there will not be any demand likely to be raised or if the demand is raised it is likely to be deleted or substantially reduced and accordingly no provision is considered necessary.
- 38.2.5 Entry tax demand amounting to ₹ 19.69 Lakhs (PY ₹ 21.31 Lakhs) have been disputed by the company and the company has preferred appeals before appellate authorities in respect of this disallowances and the appeal are pending. This demand ₹ 19.69 Lakhs (PY ₹ 21.31 Lakhs) is provided in books of accounts. Balance amount of ₹ Nil (PY ₹ Nil) is not acknowledged as Debts by Company.
- The Government of West Bengal enacted “The West Bengal Tax on Entry of goods into Local Areas Act, 2012” and writ petitions was filed by RIL challenging the validity of the said Act. The Calcutta High Court passed order on 20.04.2017 stating that it is no longer retains the jurisdiction over the subject writ petition and directed “West Bengal Taxation tribunal” to decide the case. The Company has filed additional petition with “West Bengal Taxation tribunal” during the FY 2018-19. Provision has been made in the books of accounts to the extent of interest ₹ 427.81 Lakhs (Previous year ₹ 356.92 Lakhs)
- 38.2.6 GST demands amounting to ₹ 0.99 Lakhs (Previous year: Nil) have been disputed by the Company and necessary appeals have been filed and provision made in the books of accounts. Balance amount of Nil (PY Nil) is not acknowledged as Debts by Company.
- 38.2.7 In respect of the electricity matters relating to our Textile Division, the Company has filed appeals / writ petition for ₹ 291.87 lakhs (PY 31-03-2020: ₹ 319.28 lakhs) against various subject to the matter of the appeal and the same is pending with Tamilnadu Electricity Regulatory Commission (TNERC) / Honourable High Court / Honourable Supreme Court for resolution. The Company is confident of resolving the matter in its favour and hence no provision is made in the books of accounts.
- 38.2.8 The Company had received two letters from Tamilnadu Generation and Distribution Corporation Limited (TANGEDCO) in the year 2000 and 2003 respectively claiming an amount totalling to ₹ 27.41 lakhs towards alleged violation of the terms and conditions of supply of electricity. The Company has deposited entire amount ie. ₹ 27.41 lakhs on various dates and settled the case during the year.
- 38.2.9 Under Tamil Nadu Electricity Regulatory Commission (Renewable Energy Purchase Obligations) Regulations 2010, consumers owning grid connected captive power generating plants and open access consumers with a sanctioned demand of more than 2 MVA are obligated to consume a minimum of 0.5% of their energy requirements from solar sources. The non-complainants are required to purchase Renewable Energy Certificates (REC) from markets @ 1 REC per 1,000 units of shortage or deposit an equivalent amount in a separate designated fund. Even though the Company is consuming wind energy generated from its own wind farms, it has been excluded for reckoning the obligatory consumption, since the Company has wheeling and banking arrangement with TNEB. Aggrieved, the Company including other affected producers have approached the Honourable High court of Madras and obtained an interim stay against the implementation of the said regulation.
- 38.2.10 The Company received a notice from the Department of Revenue Intelligence (DRI) for an amount of ₹ 41.23 lakhs excluding interest and penalty pertaining to the year 2009-10 for short payment of customs duty to the extent of utilization of DEPB Scrip’s purchased in the open market by the Company and which were originally obtained by the ultimate export firms fraudulently as alleged by the DRI. The Company had denied the allegations made in the notice in so far as they relate to the Company’s role is concerned and also the obligation to pay the duty demanded in the notice vide its letter dated August 4, 2014. We attended the personal hearing before the assistant commissioner of customs JNPT Mumbai during October 2016 and awaiting for the favorable order. The Management is confident of resolving the matter in favour of the Company and hence no provision is considered necessary.

44. DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

45. FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyses the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company's exposure to foreign currency risk (un-hedged) as detailed below:

Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/ floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position. Sensitivity on interest rate fluctuation.

The effective date of the code and the rules are yet to be notified. The impact of the legislative changes if any will be assessed and recognised post notification of relevant provisions

49. IMPACT ON COVID 19 PANDEMIC

The second wave of COVID 19 has impacted the demand for the product as the pandemic is now affecting rural areas also. The Company is continuing its operations in compliance with the directives issued by the Government Authorities. The company is monitoring the situation closely and is taking necessary steps to continue operations in due compliance with applicable regulations.

The Company has considered the possible effects that may result from the pandemic relating to COVID19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and nonfinancial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including economic forecasts and expects that the carrying amount of these assets will be recovered. However, the final impact may differ from the current estimates made as at the date of approval of the financial statements for the year ended 31-03-2021 considering the prevailing uncertainties.

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

INDEPENDENT AUDITOR'S REPORT

To the Members of RAMCO INDUSTRIES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the Consolidated financial statements of **RAMCO INDUSTRIES LIMITED** ("the Holding Company"), its subsidiaries and its associates (collectively referred to as "the Company" or "the Group"), comprising of the consolidated balance sheet as at 31st March 2021, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2021, and the consolidated profit, and its consolidated cash flows for the year ended and consolidated changes in the equity on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No. 50 to the consolidated financial statements, which describes the uncertainties and the impact of the COVID 19 pandemic on the operations and results on financial results. The Management has assessed that there is no material impact on the financial statements due to lockdown and related restrictions imposed towards controlling the COVID 19 pandemic. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p>Recognition and measurement of deferred taxes</p> <p>The recognition and measurement of deferred tax items requires determination of differences between the recognition and the measurement of assets, liabilities, income and expenses in accordance with the Income Tax Act and other applicable tax laws including application of ICDS and financial reporting in accordance with Ind AS.</p> <p>Assessment of Deferred Tax Assets is done by the management at the close of each financial year taking into account forecasts of future taxable results.</p> <p>We have considered the assessment of deferred tax liabilities and assets as a key matter due to the importance of management's estimation and judgment and the materiality of amounts.</p> <p>(Refer to Note No. 4.4.4, 4.4.5 and 4.4.6 to the Consolidated Financial Statements)</p>	<p>Principal Audit Procedures</p> <p>The key matter was addressed by performing audit procedures which involved assessment of underlying process and evaluation of internal financial controls with respect to measurement of deferred tax and assessment of the items leading to recognition of deferred tax in light of prevailing tax laws and applicable financial reporting standards.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the consolidated financial statements.</p>

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

2	<p>Evaluation of uncertain Tax Position/ Other contingent liabilities</p> <p>The Company has material uncertain tax position in respect of possible or actual taxation disputes, litigations and claims. The provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various legal forums.</p> <p>(Refer to Note No. 38 to the Separate Financial Statements)</p>	<p>Principal Audit Procedures</p> <p>The Audit addressed this Key Audit Matter by assessing the adequacy of tax Provisions by reviewing the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We reviewed the significant litigations and claims and discussed with the Company's legal counsel, external advisors about their views regarding the likely outcome and magnitude of and exposure to relevant litigation and claims.</p> <p>We also reviewed the relevant judgements and the opinions given by the company's advisers, which were relied on by the management for such claims.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Separate financial statements.</p>
3	<p>Existence and impairment of Trade Receivables</p> <p>Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business, the requirements of customers and various contract terms are in place, there is a risk that the carrying values may not reflective of their recoverable amounts as at the reporting date, which would require an impairment provision. Where there are indicators of impairment, the company undertakes assessment of the recoverability of the amounts. Given the magnitude and inherent uncertainty involved in the judgement, in estimating impairment assessment of trade receivables, we have identified this as a key audit matter.</p> <p>(Refer to Note No. 12 to the Consolidated Financial Statements)</p>	<p>Principal Audit Procedures:</p> <p>We performed audit procedures on the assessment of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of impairment on trade receivables requires judgement and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable.</p> <p>We also reviewed the system of obtaining monthly confirmation from the customers, which are kept in electronic mode by the company. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the consolidated financial statements.</p>

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's management and board of directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit/loss including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its Associates and Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the entities included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

of the Act for safeguarding the assets of the each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the entities included in the Group and of its associates are responsible for assessing the ability of each entity and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and of its associates are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness this assumptions. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Company and Subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) The Consolidated Financial Statements includes financial performance of a foreign branch which reflects total assets of ₹ 185.53 Lakhs, total revenue of ₹ Nil and net cash outflow amounting to ₹ 6.03 Lakhs for the year ended on 31st March 2021, which was audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the consolidated financial statements solely based on such audited financial statements.
- (b) The Consolidated financial statements reflects the Group's share of total assets of ₹ 16,187.15 Lakhs as at 31st March 2021, the Total revenue of ₹ 23,210.07 Lakhs and net cash inflow of ₹ 2,325.74 Lakhs for the year ended 31st March 2021 of Two foreign subsidiaries, which were audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the consolidated financial statements solely based on such audited financial statements. Our opinion is not modified in respect of this matter.
- (c) The audited statements as per Ind AS of One Subsidiary Company, included in the consolidated financial results year to date reflect total assets of ₹ 1,298.65 Lakhs as at 31st March 2021, the total revenue of ₹ 89.48 Lakhs and net cash outflow of ₹ 0.25 Lakhs for the year ended 31st March 2021, which was audited by one of us.
- (d) The audited financial statements as per Ind AS of Two associate companies included in the consolidated annual financial results year to date, whose consolidated financial statements reflect the net profit after tax of ₹ 15,780.03 Lakhs for the year ended 31st March 2021 audited by us and some other independent auditors. These audited financial statements as per Ind AS and other financial information.
- (e) We did not audit the financial statements of Four associate companies included in the consolidated annual financial results year to date, whose consolidated annual financial statements reflect the net profit after tax of ₹ 502.21 Lakhs for the year ended 31st March 2021. These financial statements as per Ind AS and other financial information are un-audited and have been furnished to us by the management, and our opinion is based solely on the financial results year to date, to the extent they have been derived from such un-audited financial statements.
- (f) Our attendance at the physical inventory verification done by the management was impracticable under the current lockdown restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 "Audit Evidence - Specific considerations for selected items" and have obtained sufficient audit evidence to issue our un-modified opinion on these consolidated financial results.

Our opinion on the statement is not modified in respect of these matters.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is based on the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
- (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- (e) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

- (f) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2021 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March 2021 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “Annexure”, which is based on the auditor’s reports of the company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reason stated there in.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and best of our information and according to the explanations given to us, the remuneration paid to the directors during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provision of section 197 (16) of the Act. The remuneration paid to any director by the Holding company and its subsidiaries which are incorporated in India, is not in excess of limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

- (i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended;

In our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, and its associates.
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies incorporated in India during the year ended 31st March 2021.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Paragraph (g) of Report on Other Legal and Regulatory Requirements of our Report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Ramco Industries Limited (The Holding Company) as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

Opinion

In our opinion, based on the test checks conducted by us, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- 2.4 The significant accounting policies used in preparing the financial statements are set out in Note No.4

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 2.5 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- 2.6 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- 2.7 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- 2.8 The financial statements are presented in Indian Rupees rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

Principles of Consolidation

- 2.9 The CFS of the parent Company and its subsidiary Company have been consolidated on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after elimination of intra-group balances and intra-group transactions resulting in unrealized Profits / Losses
- 2.10 The CFS has been prepared using uniform accounting policies for like transactions and other events in similar circumstances and is presented, to the extent possible, in the same manner as the parent Company's standalone financial statements.
- 2.11 Non-controlling interest in the net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the parent Company's shareholders. Non-controlling interest in the net assets of consolidated subsidiary consists of:
- A. The amount of subscribed equity share capital attributable to minority shareholders during the year
 - B. The minority share of movement in equity since the date the parent subsidiary relationship came into existence
- 2.12 The CFS includes the share of profit / loss of the associate companies that are accounted for using equity method in accordance with Ind AS 28. Accordingly, the share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added / deducted from the cost of investment. The most recent available financial statements of the associate are used by the company in applying the equity method.
- 2.13 Under equity method of accounting, the investments are initially recognized at the fair value of net asset of Associate Company from the date on which it becomes as associate and any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows:
- A. Goodwill relating to an associate is included in the carrying amount of the investment and the same is not amortised.
 - B. Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is recognised directly in equity as capital reserve in the period in which the investment is acquired.
- Subsequently, the carrying amount of investment is adjusted to recognize the Company's share of post-acquisition profits or losses of the Associates in the profit & loss and also its share of Other Comprehensive Income (OCI) of the Associate Company separately under Other Comprehensives Income.
- 2.14 Dividend received or receivable from Associates are recognized as a reduction in the carrying amount of the Investment
- 2.15 Unrealised gains on transactions between the group and its associates are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.
- 2.16 At each reporting date, the Company determines whether there is any objective evidence that the investment in the associate is impaired. If there is such evidence, the company provides for impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognized the loss as "Share of profit of an associate" in the statement of profit or loss.
- 2.17 The statement of profit and loss reflects the company's share of results of operations of its associates. Any change in OCI of those investees is presented as part of the Group's OCI.

3. BASIS OF MEASUREMENT

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 4.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Inventories

4.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.

4.1.2 Process stock is valued at moving weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.

4.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

4.2 Cash Flow Statement

4.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

4.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.

4.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

4.3 Dividend distribution to Equity shareholders

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes (if any) is recognised directly in Equity.

4.4 Income Taxes

4.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws.

4.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.

4.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.

4.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.

4.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 4.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- 4.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

4.5 Property, plant and equipments (PPE)

- 4.5.1. PPEs are stated at cost of acquisition or construction (net of GST wherever eligible and applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

- 4.5.2 PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 4.5.3 PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 4.5.4 Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value or any value whichever is less, except for process control systems whose residual value is considered as Nil.
- 4.5.5 Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- 4.5.6 The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

Capital Work in Progress

- 4.5.7 Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.
- 4.5.8 Advances given towards acquisition / construction of PPE, outstanding as at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'.

4.6 Leases

- 4.6.1 The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous figures has not been restated and continue to be reported under Ind AS 17.
- 4.6.2 Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable leases is more than 12 months, at the present value of remaining lease payments discounted using the incremental

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability, adjusted for prepaid lease payments recognised in the balance immediately before the date of initial application.

- 4.6.3 The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is dependent on the use of an underlying asset and the arrangement conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

- 4.6.4 The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- 4.6.5 The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.
- 4.6.6 The estimated useful lives of right-of-use assets are determined on the same basis as those of Property Plant and Equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.
- 4.6.7 The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities in 'Financial Liabilities' in the Balance sheet.
- 4.6.8 The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a Lessor

- 4.6.9 The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

4.17 Operating Segments

Operating segment has been identified on the basis of nature of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.

The Company has three operating/reportable segments viz. Building products, Textile and Wind power generation.

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

4.18 Financial Instruments

4.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

4.18.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

Financial Assets

4.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

4.18.5 Investment in equity instrument and mutual funds are recognised based on the date of contract note where the transaction is entered through stock exchanges and based on date of allotment in respect of others.

4.18.6 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortised cost; or
- b) Fair value through other comprehensive income (FVTOCI); or
- c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

4.18.7 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

4.18.8 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

4.18.9 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

4.18.10 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Financial Liabilities

4.18.11 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.

4.18.12 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

- 4.18.13 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- 4.18.14 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- 4.18.15 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

4.19 Fair value measurement

- 4.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- 4.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- 4.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.
- 4.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- 4.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- 4.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

Investments in Equity / Mutual Funds

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

Trade and other receivables

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Financial guarantee obligation

The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

Investment Properties

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

5. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer which is based on market factors namely demand and supply. The Company offers credit period to customers for which there is no financing component.

Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

Deferred Tax Asset (Including MAT Credit Entitlement)

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Impairment of Trade receivables

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Defined Benefit Plans and Other long term benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value the inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Impairment of Investments in Subsidiaries /Associates

Significant management judgement is exercised in determining whether the investment in subsidiaries / associates are impaired or not is on the basis of its nature of long term strategic investments and business projections.

Interests in other entities

The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights. Significant management judgement is exercised in determining the interests in other entities to determine whether such associates are individually immaterial or not for the purpose of disclosure requirements

45. DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

46. FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counterparty risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company's exposure to foreign currency risk (un-hedged) as detailed below:

Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

The effective date of the code and the rules are yet to be notified. The impact of the legislative changes if any will be assessed and recognised post notification of relevant provisions

50. IMPACT ON COVID 19 PANDEMIC

The second wave of COVID 19 has impacted the demand for the product as the pandemic is now affecting rural areas also. The Company is continuing its operations in compliance with the directives issued by the Government Authorities. The company is monitoring the situation closely and is taking necessary steps to continue operations in due compliance with applicable regulations.

The Company has considered the possible effects that may result from the pandemic relating to COVID19 in the preparation of these consolidated financial statements including the recoverability of carrying amounts of financial and nonfinancial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including economic forecasts and expects that the carrying amount of these assets will be recovered. However, the final impact may differ from the current estimates made as at the date of approval of the financial statements for the year ended 31-03-2021 considering the prevailing uncertainties.
