2. **A member entitled to attend at the meeting is entitled to appoint a Proxy to attend and vote instead of himself and that the Proxy need not be a Member.**
3. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company. Proxy Form is enclosed. Proxies in order to be effective must be received at the Registered Office of the Company not less than 48 hours before the commencement of the Meeting. Proxies submitted on behalf of the companies, societies, etc., must be supported by an appropriate resolution/authority, as applicable. Attendance slip is attached. Members, Proxies and authorised representatives are requested to bring the duly filled in and signed, attendance slips to the meeting.
4. The Cut-off date will be 28th July, 2017 for determining the eligibility to vote by remote e-voting or in the General Meeting.
5. Under the provisions of Sections 205A(5) and 205 C of the Companies Act, 1956 and the corresponding applicable provisions of the Companies Act, 2013, the Company has transferred the unclaimed/unpaid dividends lying with the Company for a period of over 7 years to the Investor Education & Protection Fund (the IEPF) established by the Central Government. Pursuant to the provisions of Investor Education & Protection Fund (uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012, the Company has uploaded the details of unclaimed/unpaid dividends lying with the Company on the website of the Company ([www.ramcoindltd.com](http://www.ramcoindltd.com)), also on the website of Ministry of Corporate Affairs. The dividends remaining unpaid for a period of over 7 years will be transferred to IEPF of the Central Government. Hence, the members who have not claimed their dividend relating to the earlier years may write to the Company for claiming the amount before it is so transferred to the Fund. The details of due dates for transfer of such unclaimed dividend to the said Fund are:

FINANCIAL YEAR ENDED	DATE OF DECLARATION OF DIVIDEND	LAST DATE FOR CLAIMING UNPAID DIVIDEND	DUE DATE FOR TRANSFER TO IEPF FUND
31-03-2010 Final Dividend	02-08-2010	01-08-2017	31-08-2017

6. In accordance with Section 124(6) of the Companies Act, 2013, the shares in respect of which, dividend has not been paid or claimed for 7 consecutive years or more shall be transferred by the Company to IEPF. The Company has sent individual notices through Registered Post to the Shareholders, whose dividends are lying unclaimed for the last seven consecutive years or more, advising them to claim the dividend on or before 31st May, 2017. The statement containing the details of the Shareholders and the shares due for transfer is also uploaded on the Company's website, [www.ramcoindltd.com](http://www.ramcoindltd.com) for information and necessary action by the Shareholders. Since the modalities for transfer of shares to IEPF with Depositories are not yet finalized by MCA, it has deferred its implementation. Hence, the shareholders concerned are requested to take immediate steps to claim the unclaimed dividend. In the event of the Shareholders not claiming the dividend and the shares are transferred to IEPF, the Shareholders are still entitled to claim the shares from IEPF by making an online application in Form No: IEPF-5 to the IEPF Authority. The procedure and the form are available at [www.ramcoindltd.com](http://www.ramcoindltd.com) and [www.iepf.gov.in](http://www.iepf.gov.in)
7. Electronic copy of the Notice for the Annual General Meeting and the Annual Report for 2016-17 are being sent to all the members whose E-Mail IDs are registered with the Company/Depository Participant(s). Physical copy of the Notice together with the Annual Report are being sent in permitted mode, to members for whom the E-Mail IDs are not available and who have requested for physical copies. The Notice and the Annual Report are also available on the Company's Website - [www.ramcoindltd.com](http://www.ramcoindltd.com) for their download.
8. Under Rule 18 of Companies (Management and Administration) Rules, 2014, Members, those who have not got their E-Mail IDs recorded are requested to register their E-Mail address and changes therein with the Company in respect of physical shares and with Depository Participants with respect to dematerialised shares. Members are also requested to provide their Unique Identification Number and PAN (CIN in the case of Corporate Members) to the Registrar and Share Transfer Agent/ Depository Participants.
9. A Route Map with prominent Landmark for easy location of the venue of the meeting is given with this Notice as per the requirement of Clause No.:1.2.4 of the Secretarial Standard-2 on "General Meetings".
10. Voting through electronic means
  - I. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is providing members remote e-voting facility to exercise their right to vote at the 52nd Annual General Meeting (AGM) and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Limited (CDSL).

An amount of ₹ 13.42 crore towards Current Tax, ₹8.64 crore towards Deferred tax and ₹ 8.81 crore towards MAT credit entitlement has been provided for the year under review.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### Review of Operations and Current Trends

#### A. BUILDING PRODUCTS DIVISION:

PRODUCT	PRODUCTION Qty. in M.T.		SALES Qty. in M.T.		TURNOVER ₹ in Lakhs	
	31.03.17	31.03.16	31.03.17	31.03.16	31.03.17	31.03.16
Fibre Cement Sheets	4,94,874	4,87,868	4,97,318	4,90,246	52,565	53,262
Calcium Silicate Boards	53,688	32,186	50,059	27,699	9,205	5,730

**(a) Fibre Cement (FC) Sheets :**

During the year under review, the Sales quantity of FC Sheets grown by around 1% compared to previous year. While there was a revival in the demand for the sheets, Demonetisation announced by the Union Government has been a dampener. Volumes were affected for nearly 3-4 months. Realisation dropped compared to last year due to competition. Depreciation of Rupee also affected the raw materials cost. Judicious usage of raw materials and supplier negotiations helped to mitigate the impact.

Union Government's initiatives on Rural development, good monsoon and Prime Minister's Swachh Bharat Abhiyan scheme will be boost for fibre cement products and trend may continue. Promotional efforts are vigorously taken to explore new potential areas with more customized products.

**(b) Calcium Silicate Boards (CSBs):**

Efforts are taken to increase Production and Sales during the year under review. New variants with superior features were well received in the Market. Lot of Marketing initiatives such as Meets and TV Commercials done to create awareness of the various product range. While there has been increase in production compared to last year, Sales also have been increased compared to last year.

**(c) Cement Clinker Grinding (CCG) Plant at Kharagpur, West Bengal :**

The Plant had produced 73,677 M.T. of Cement during the year under review as against 1,16,077 M.T. of Cement during the previous year.

The Sale of Cement decreased to 73,519 M.T. during the last year to 1,17,137 M.T. during 2016-17.

**(d) Fibre Cement Pressure Pipes:**

Operations of Pressure Pipes continued to be under pressure owing to the sluggish market. The Union Government's infrastructure initiatives are expected to increase the sale of this product.

**B. WIND MILLS:**

During the Financial Year 2016-17, the Wind energy was good with increase of 43% compared to last year, from the existing 15 Wind Mills.

Position regarding Wind Mills was as follows:-

Total Capacity Installed	: 16.73 MW
Total Units generated	: 308 Lakh Units (P.Y: 214 Lakh Units)
Income earned (by generation/sale of power)	: ₹ 1,728 Lakhs (P.Y: ₹ 1,198 Lakhs)

**C. COTTON YARN DIVISION - SRI RAMCO SPINNERS:**

**Production and Sales:**

During the year 2016-17, the Unit had produced 25.40 Lakh Kgs. of Cotton Yarn as compared to 30.54 Lakh Kgs. produced during the previous year. The Unit had sold Yarn at 27.85 Lakh Kgs. (including traded yarn) during the year under review as against 34.31 Lakh Kgs. during 2015-16.

During the year under review, the performance of the Cotton yarn division was good when compared to previous year. The reduction in yarn selling price was partially offset by the reduction in cotton price.

With the moderation in cotton prices & stability in yarn prices, your Directors are hopeful in achieving satisfactory results during the year 2017-18.

**D. OVERSEAS OPERATIONS OF SUBSIDIARIES - SRI RAMCO LANKA (PRIVATE) LIMITED AND SRI RAMCO ROOFINGS LANKA (PRIVATE) LIMITED, SRI LANKA:**

The production of FC plant of Sri Ramco Roofings Lanka (Private) Limited (SRRLPL), was 65,211 M.T. and Sales was 57,776 M.T. during the year under review, compared to 59,732 M.T. and 61,371 M.T. of last year.

And the production of Sri Ramco Lanka (Private) Limited was 73,206 M.T. and sales was 68,887 M.T. for the year under review as against 53,507 M.T. and 53,929 M.T. of last year.

At a Consolidated level of both the Companies, the Net Sales were SLR 41,014 lakhs (INR 18,744 lakhs) as against SLR 37,365 lakhs (INR 17,905 lakhs) during the corresponding previous year.

In accordance with Rule 5 of Companies (Accounts) Rules, 2014, a statement containing the salient features of the Financial Statements of the subsidiaries is attached in Form AOC-1 as Annexure -1 to the Board's Report.

The Company proposes to transfer an amount of ₹ 900 lakhs to the General Reserves. An amount of ₹ 10,760 lakhs is proposed to be retained in the statement of Profit and Loss.

#### **CONSOLIDATED FINANCIAL STATEMENTS:**

As per provisions of Section 129(3) of the Companies Act, 2013 and Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [SEBI(LODR)], Companies are required to prepare Consolidated Financial Statements of its subsidiaries and Associates to be laid before the Annual General Meeting of the Company. Accordingly the Consolidated financial Statements incorporating the accounts of Subsidiary Companies viz. (a) M/s. Sudharsanam Investments Limited, (b) Sri Ramco Lanka (Private) Limited, Sri Lanka and (c) Sri Ramco Roofings Lanka (Private) Limited, Sri Lanka and Associate Company viz. The Ramco Cements Limited along with Auditors' Report thereon, forms part of this Annual Report.

The Annual Report containing the Audited Statement of Accounts for the Subsidiary Companies and Associate Company are available at the Company's website at the following link at <http://www.ramcoindltd.com/financial-performance.aspx>

The consolidated net profit of the Company amounted to ₹ 55.31 crore for the year ended 31st March, 2017 as compared to ₹ 57.48 crore of the previous year, on a standalone basis.

#### **DIRECTORS:**

The Board noted with deep regret the sudden demise of Shri P.R.Ramasubrahmaneya Rajha, Chairman on 11-05-2017. He was the Promoter-Founder of the Company and had been on the Board since the inception of the Company in 1965.

The Board may note that under his vision and leadership, the Company had grown to 10 Plants spread across nine states in India and 2 units in Sri Lanka with an aggregate production capacity of 1.2 million tonnes of fibre cement products per annum. Under his dynamic leadership the Company has grown to be one among the largest and most profitable Fibre cement roofing product manufacturers in India and Sri Lanka.

#### **FUTURE OUTLOOK**

Indian rural economy has been under stress due to poor monsoon and draught in many states in the earlier years resulting to slowdown of industry. With the thrust given in the Union Budget 2017-18 for agriculture growth and good monsoon in the last year we foresee revival of rural demand for our products.

The investments in infrastructure by Government of India are expected to give a boost to the construction activities. The moderate inflation will encourage investments in housing sector. In the backdrop of demonetization and the Government's commitment to reforms and its initiatives relating to "Make in India" and ease of doing business in organized sector are expected to make good GDP growth. All these will positively impact the demand for Building Products in future. As all our plants are fully equipped and modernized with supporting logistics facilities, our Company will be able to take full advantage of the economic momentum in the coming years.

#### **CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO**

## INDEPENDENT AUDITORS' REPORT

### To the Members of Ramco Industries Limited

#### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements drawn in accordance with the Indian Accounting Standards ("the Financial Statements"), of Ramco Industries Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement for the year ended on 31 March 2017 and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of the Financial Statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Financial Statements based on our audit.

We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the state of affairs (financial position) of the Company as at 31 March 2017, its Profit (financial performance including Other Comprehensive Income), Changes in Equity and its Cash Flows for the year ended on 31 March 2017.

#### Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of the written representations received from the Directors as on 31 March 2017 and taken on record by the Board of Directors, none of the Directors is disqualified as on 31 March 2017 from being appointed as a Director in terms of Section 164 (2) of the Act;
- f) We have enclosed our separate report in “Annexure B” with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls. ## **"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS PREPARED IN ACCORDANCE WITH INDIAN ACCOUNTING STANDARDS OF RAMCO INDUSTRIES LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Ramco Industries Limited("the Company") as of March 31, 2017 in conjunction with our audit of the Financial Statements of the Company for the year ended on 31 March 2017.

### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting

("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both applicable to an audit of Internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company has designated all equity instruments in companies other than subsidiaries / associates at FVTOCI, based on the assessment made on the date of transition to Ind AS.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

### 4 Basis of Measurement

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 5.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

### 5. Significant Accounting Policies

#### 5.1 Inventories

5.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.

5.1.2 Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.

5.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition including excise duty. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

#### 5.2 Cash Flow Statement

5.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

5.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.

5.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

#### 5.3 Dividend distribution to Equity shareholders

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes is recognised directly in Equity.

#### 5.4 Income Taxes

5.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income tax Act, 1961 and other applicable tax laws.

5.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.

5.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

- 5.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- 5.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- 5.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- 5.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

### 5.5 Property, plant and equipments (PPE)

- 5.5.1 PPEs are stated at cost of acquisition or construction (net of CENVAT / VAT wherever applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

- 5.5.2 The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset type	Useful life ranging from
Buildings	3 to 60 years
Plant and Machinery	5 to 25 years
Windmills	5 to 30 years

- 5.5.3 PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 5.5.4 PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 5.5.5 Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

5.5.6 Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.

5.5.7 The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

### **Capital Work in progress**

The Company has three operating/reportable segments viz. building, textile and wind power generation.

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

### 5.18 Financial Instruments

- 5.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- 5.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- 5.18.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

#### Financial Assets

- 5.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.
- 5.18.5 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
- a) Amortised cost; or
  - b) Fair value through other comprehensive income (FVTOCI); or
  - c) Fair value through profit or loss (FVTPL)
- Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.
- 5.18.6 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

5.18.7 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

5.18.8 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

5.18.9 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

### Financial Liabilities

5.18.10 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.

5.18.11 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits, and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

5.18.12 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

5.18.13 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

5.18.14 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

### 5.19 Fair value measurement

5.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

5.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

5.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

5.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

5.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

5.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

#### ***Investments in Equity / Mutual Funds***

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

#### ***Trade and other receivables***

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

#### ***Forward exchange contracts***

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

#### ***Non-derivative financial liabilities***

The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

#### ***Financial guarantee obligation***

The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

#### ***Investment Properties***

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

### 6. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

#### ***Property, Plant and Equipment, Intangible Assets and Investment Properties***

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

#### ***Current Taxes***

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

#### ***Deferred Tax Asset (Including MAT Credit Entitlement)***

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### ***Contingent Liabilities***

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

#### ***Impairment of Trade receivables***

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

#### ***Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)***

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

#### ***Defined Benefit Plans and Other long term benefits***

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

#### ***Fair value measurement of financial instruments***

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

#### ***Interests in other entities***

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

- 38.2.6 The Company had received a letter dated 04.11.2009 from Tamilnadu Generation and Distribution Corporation Limited (TANGEDCO) withholding an amount of ₹ 46.54 lakhs pending resolution of Power Tariff Concession applicability to fibre cement sheet plant at Arakonam. This amount was withheld against our dues towards power sold to Tamil Nadu Electricity Board covered under the power purchase agreement. The Company preferred an appeal against TANGEDCO in the year 2009 and the matter is pending with the Honourable High Court of Madras. During the year, there was no development in the matter. The management is confident of collecting the withheld amount and no provision is made in the books of account.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

38.2.7 Under Tamil Nadu Electricity Regulatory Commission (Renewable Energy Purchase Obligations) Regulations 2010, consumers owning grid connected captive power generating plants and open access consumers with a sanctioned demand of more than 2 MVA are obligated to consume a minimum of 0.5% of their energy requirements from solar sources. The non-complainants are required to purchase Renewable Energy Certificates (REC) from markets @ 1 REC per 1,000 units of shortage or deposit an equivalent amount in a separate designated fund. Even though the Company is consuming wind energy generated from its own wind farms, it has been excluded for reckoning the obligatory consumption, since the Company has wheeling and banking arrangement with TNEB. Aggrieved, the Company including other affected producers have approached the Honourable Madras High Court and obtained an interim stay against the implementation of the said regulation.

38.2.8 The Company had put up a plant in Silvassa in The Union Territory of Daman, Diu, Dadra and Nagar Haveli in the year 1998 and availed VAT and CST exemption for the period of 15 years ending on March 2013 based on a certificate of exemption given by appropriate authority in exercise of powers conferred on it by relevant provision of the CST Act, 1956. This power of granting exemption was withdrawn with retrospective effect by an amendment in Finance Act 2002 and the sales tax department has followed it up by issuing a circular for compulsory production of concessional sales tax forms for availing CST exemption. The differential sales tax liability for the year 1998 to the year 2002 works out to ₹ 37 Crores. However, the Company was not in receipt of any demand from the appropriate authority. Aggrieved by the department circular and as an additional precaution, the Company had filed an appeal with Bombay High Court and the Bombay High Court has quashed the circular issued by the Commercial tax department, Silvassa, The Union Territory of Daman, Diu, Dadra and Nagar Haveli thereby allowing continuance of CST exemption even after amendment of relevant provision of CST Act, 1956 by the Finance Act, 2002. But the department of Commercial Tax, Silvassa has preferred an appeal against the Bombay High Court order before the Honourable Supreme Court and the adjudication and the court hearing is in process pending final disposal by the Honourable Supreme Court.

Based on the decision of Bombay High Court and interpretations of other relevant provisions, the Company has been legally advised that there will not be any demand likely to be raised or if the demand is raised it is likely to be deleted or substantially reduced and accordingly no provision is considered necessary

38.2.9 The Company received a notice from the Department of Revenue Intelligence (DRI) for an amount of ₹ 41.23 lakhs excluding interest and penalty pertaining to the year 2009-10 for short payment of customs duty to the extent of utilization of DEPB Scrips purchased in the open market by the Company and which were originally obtained by the ultimate export firms fraudulently as alleged by the DRI. The Company had denied the allegations made in the notice in so far as they relate to the Company's role is concerned and also the obligation to pay the duty demanded in the notice vide its letter dated August 4, 2014. We attended the personal hearing before the assistant commissioner of customs JNPT Mumbai during October 2016 and awaiting for the favorable order. The Management is confident of resolving the matter in favour of the Company and hence no provision is considered necessary.

38.2.10 The Company received a notice from Gangaikondan Sub-Registrar office demanding a short payment of stamp duty of ₹ 2.57 lakhs in connection with registration of Company's land at Gangaikondan, Tirunelveli district, Tamil Nadu and has appropriately recorded the deficiency of the stamp duty payment in the encumbrance certificate of the Land records maintained by Sub-Registrar office. The Company has represented the matter with the Sub-Registrar citing payment of stamp duty correctly as per the guide line rate prevailing then. Based on the representation, they reduced the Stamp Duty to the tune of ₹ 1.21 lacs. The Company filed the appeal against the order of Deputy Collector. The IG, Registration (Appellate Authority) quashed the order of Deputy Collector (stamps) in favor of the company.

38.2.11 The Government of West Bengal enacted "The West Bengal Tax on Entry of goods into Local Areas Act, 2012" and writ petitions were filed by others challenging the validity of the said Act. The Calcutta High Court held that the said Act was unconstitutional. Aggrieved, the Government has preferred an appeal before the Division Bench and obtained an interim direction to continue the Assessment proceedings only. Though the company has not received any demand, it has filed a petition to join in the case.

38.2.12 The company is eligible for incentives under the "Bihar Industrial Incentive Policy 2006" in respect of its Fibre Cement Plant at Bihiya in the State of Bihar. During the year under review,

- A sum of ₹ 824.04 lakhs (As at 31-03-2016: ₹ 605.27 lakhs; As at 01-04-2015: ₹ 559.79 lakhs) accrued as Industrial Promotion Assistance is credited to Profit and Loss account. Out of this ₹ 571.93 lakhs has been received before 31.03.2017.

- We have received a sum of ₹ 11.70 lakhs due to fair valuation of Govt Grants as per Ind AS

The company is eligible for incentive under the "Rajasthan Investment Promotion Scheme 2010" in respect of its Calcium silicate Board Plant at Kotputli in the state of Rajasthan, during the year under review,

- No amount was received as Incentive grant during the year (As at 31-03-2016: ₹ 10.33 lakhs; As at 01-04-2015: ₹ 0.00 lakhs) as Industrial Promotion Assistance.

### 44. Disclosure of Fair value measurements

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

### Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

### 45. Financial Risk Management

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

### Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

### Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

### Financial instruments and cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

### Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

### Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company's exposure to foreign currency risk (un-hedged) as detailed below:

Currency	Trade Payables	Trade and other Receivables	Balance with Banks	Foreign Currency Loan
<b>USD in Millions</b>

USD	(31.51)	31.51	(19.82)	19.82
LKR	(5.01)	5.01	(5.31)	5.31

### Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/ floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position. **Sensitivity on interest rate fluctuation**

### Explanatory Notes on preparation and presentation of financial statements upon transition to Ind AS

In preparing these financial statements, the Company's Opening Balance Sheet was prepared as at 1-4-2015, which is the Company's date of transition to Ind AS. The following note explains the nature of adjustments made by the Company read with Note No. 3 in restating its previous GAAP Financial Statements including its Balance Sheet as at 1-4-2015 and the financial statements as at and for the year ended 31-3-2016.

#### A. Depreciation and Amortization expense

Under previous GAAP, the carrying value of significant components of Property, Plant and Equipment which have completed their useful life, have been charged off against opening balance of Retained Earnings for the financial year 2015-16 as permitted by Schedule II to the Companies Act, 2013. However, under Ind AS, this has been taken through profit and loss for the year ended 31-3-2016 as it not a GAAP difference.

#### B. Leasehold Land

Lease prepayments made for Leasehold land were classified as Leasehold Land under previous GAAP. However, under Ind AS, prepayments made for leasehold land should be classified as lease prepayments under operating lease and the same should be amortized over the tenure of the lease. Accordingly, lease prepayments as at 1-4-2015 are reclassified from Property, Plant and Equipment into Prepaid expenses. The subsequent amortization of lease prepayments for the year ended 31-3-2016 is recognized as 'Rent' under classification of 'Other Expenses' in the Statement of Profit and Loss.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

### C. *Investment Properties*

Under previous GAAP as well as Ind AS, Investment Properties are required to be stated at cost net of accumulated depreciation and impairment loss, if any. Under previous GAAP, it was grouped under fixed assets whereas under Ind AS, the same is required to be disclosed as a separate line item in the Balance Sheet. Accordingly, investment properties are reclassified.

### D. *Investments*

Under previous GAAP, investments in mutual funds were measured at the lower of cost or fair value. Under Ind AS, the Company is required to measure the investments in mutual funds at fair value through profit & loss and accordingly recognized the fair value gain/loss in Opening Equity or in the Statement of Profit and Loss for the year ended 31-3-2016. Under previous GAAP, long term equity instruments were measured at cost less provision for permanent diminution. In respect of investments in companies other than in Subsidiary and Associates, the Company is required to designate such investments necessarily at fair value. Therefore, the Company has designated such investments as FVTOCI Investments. At the date of transition to Ind AS, the excess /deficit of fair value of equity instruments over the previous GAAP carrying amount is recognised as fair value gain/loss, in the FVTOCI reserve/Other Comprehensive Income for the year ended 31-3-2016.

### E. *Classification of Financial Instruments*

The company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets/financial liabilities. Accordingly, bifurcation of assets/liabilities as financial/Non-financial is identified and reclassified. However, this reclassification is not presented as transition adjustments.

### F. *Financial Guarantee Contracts*

The Company has issued Corporate Guarantee to Banks for the loans availed by Subsidiary, Associates and other related parties. Where guarantees in relation to loans are provided for no compensation, the fair values are accounted for as contributions and recognised as part of the cost of the investment if the loan is given to Associate/Subsidiary, and recognized as Other expenses if the loan is given to other related parties. The carrying amount of financial guarantee obligation is recognized as other income over the tenure of the corporate guarantee.

### G. *Presentation of MAT Credit Entitlement as 'Deferred Tax Assets'*

Under previous GAAP, MAT credit entitlement was presented under the head 'Loans and advances' since there being a convincing evidence of realization of the asset. As per Ind AS 12 on Income Taxes, Deferred Tax Assets include the amounts of income taxes recoverable in future periods in respect of the carry forward of unused tax credits. Accordingly, MAT Credit Entitlement classified as Loans and Advances under previous GAAP, are netted against Deferred Tax Liability under Ind AS.

### H. *Dividend*

Under previous GAAP, dividends proposed by the Board of Directors are recognized as proposed dividend in the financial statements even though it is approved by the shareholders in the AGM. However, under Ind AS, dividend has to be recognized upon approval by the shareholders in the Annual General Meeting. Accordingly, Proposed Dividend (including Dividend Distribution Tax recognized as liability in the financial year 2014-15 as per previous GAAP has been reversed with corresponding credit to Equity as at the date of transition i.e. 1-4-2015 and recognized in the Equity during the year ended 31-3-2016 as declared and paid.

### I. *Transaction cost on Borrowings*

Under previous GAAP, transaction costs (loan processing fees) incurred in connection with borrowings is charged to profit or loss up front. Under Ind AS, transaction cost is to be included in the initial recognition and charged to profit or loss using the effective interest method. Accordingly, transaction cost on borrowings is reversed to Equity, for the loans outstanding as at 1-4-2015 and additional interest expense is recognized in the Opening Equity for the period upto 1-4-2015, using Effective Interest Rate method (EIR). For the year ended 31-3-2016, the Company has reversed the transaction cost pertaining to the Borrowings availed during the year 2015-16 and the additional Interest impact computed using EIR method is recognized as Finance cost.

### J. *Recognition and Measurement of Forward Contracts on Mark To Market (MTM)*

Under previous GAAP, in respect of forward contracts, the difference between the forward rate and the exchange rate at the inception of the forward exchange contract is recognized as income/expenses over the tenure of such contract. Under Ind AS, the fair value of forward foreign exchange contracts has to be recognized. Accordingly, the assets and liabilities related to forward contracts recognized under previous GAAP are reversed and Mark to Market (MTM) gain/loss is recognized as other expenses in the Statement of Profit and Loss.

### K. *Deferred Tax*

Deferred tax is accounted using income statement approach by computing the differences between taxable profits and accounting profits for the period under previous GAAP. As per Ind AS 12, the deferred tax is to be computed using the balance sheet approach, which is based on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. Deferred tax adjustments are recognized either in retained earnings or a separate component of equity.

## NOTES ACCOMPANYING FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

### L. *Security Deposits from Customers & Service Providers*

The company has presented the Security deposits from Customers & Service providers as Non-current liability under previous GAAP as per the FAQ on Schedule III to the Companies Act 2013 issued by ICAI based on the fact that company's past record shows that these deposits are not generally claimed and hence it was appropriate to treat it as non-current liability. However, as per Educational material issued by ICAI on Ind AS 1 Presentation of Financial Statements, such deposits have to be classified under Current Financial Liability only in view of the fact that the Company does not have the unconditional right to defer settlement of the liability. Accordingly, the Company has reclassified Security Deposits from Customers/Service providers from non-current liability to other current financial liabilities.

### M. *Defined Benefit Plan*

Under previous GAAP, actuarial gains and losses are charged to profit or loss. Under Ind AS re-measurements of net defined benefit asset/liability comprising of actuarial gains or losses are arising from experience adjustments and changes in actuarial assumption are charged/credited to other comprehensive income. There is no impact on the total equity as at 31-3-2016. However for the period upto the date of transition, the Company has transferred all re-measurement costs recognized in the past periods within accumulated profits or loss (a component of equity), in accordance with provisions of Para 122 of Ind AS 19.

### N. *Excise Duty*

Under previous GAAP, Sale of goods and scraps was presented as net of excise duty. However, under Ind AS, sale of goods and scraps includes excise duty. Excise duty on sale of goods and scraps is separately shown as a line item in the Statement of Profit and Loss as part of expenses. However, there is no impact on the total equity and profit.

### O. *Dealer Awards*

Under previous GAAP, Dealer awards were recognized as part of Sales Promotion Expenses. However, under Ind AS, the same has to be netted against Revenue. Accordingly, dealer awards have been netted against Revenue from Operations in the Statement of Profit and Loss.

### P. *Other Comprehensive Income (OCI)*

This is a new classification under Ind AS. Any income or expense that are not required to be recognized in profit or loss are shown under a new category namely OCI in the Statement of Profit and Loss namely re-measurements of defined benefit plans, gains and losses from investments in equity instruments designated at fair value through other comprehensive income, gains and losses on financial assets measured at fair value through other comprehensive income, gain or loss on financial instruments that qualify for hedge accounting, changes in revaluation surplus and gains and losses arising from translating the financial statements of a foreign operation.

### Q. *Bank Overdraft*

Under previous GAAP, bank overdrafts were considered as part of borrowings and movements in the same were shown as part of financing activities. Under Ind AS, Bank overdrafts repayable on demand are to be treated as an integral part of the cash management process. Accordingly, Bank overdraft is included in Cash and Cash equivalents for the purpose of presentation of Statement of Cash Flows.

### INDEPENDENT AUDITORS' REPORT

#### To the Members of Ramco Industries Limited

#### Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements drawn in accordance with the Indian Accounting Standards ("the Consolidated Financial Statements") of Ramco Industries Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), and the share of profit / loss of its associates. These Consolidated Financial Statements comprise the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year ended 31st March 2017 and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013, ("the Act") that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated statement of changes in equity and Consolidated cash flow of the Group including its associates in accordance with the accounting principles generally accepted in India and including the Indian Accounting Standards specified under Section 133 of the Act, read with applicable Rules there under. The respective Board of Directors of the Companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the Consolidated state of affairs(financial position) of the Group including the effect of share in the profit of its associates as at 31st March 2017, and their Consolidated profit(financial performance including other comprehensive income)including the share in the profit of its associates, Consolidated statement of changes in equity and their Consolidated cash flows for the year ended on 31st March 2017.

These financial statements and other financial information have been audited by other Independent Auditor whose report has been furnished to us by the Management and our opinion on the Statement is based solely on the report of the other Independent Auditor.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

The Statement includes share of total comprehensive income of ₹ -5.49 Lakhs for the year ended 31st March 2017 of an associate company which was not audited us. These financial statements and other financial information have been audited by other Independent Auditor whose report has been furnished to us by the Management and our opinion on the Statement is based solely on the report of the other Independent Auditor.

The Statement includes share of total comprehensive income of ₹ 191.76 lakhs for the year ended 31st March 2017 of an associate company, which is based on unaudited financial statement certified by the Management and furnished to us and our opinion on the Consolidated financial results, in so far as it relates to aforesaid associate is solely based on the accounts certified by the Management.

Our opinion is not modified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
2. In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
3. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
4. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
5. On the basis of the written representations received from the Directors of the Holding Company as on 31st March 2017 taken on record by the Board of Directors of the Holding Company and the reports of the Statutory Auditor of the subsidiary companies and associate company, and Management Certification in the case of the unaudited associate company, none of the Directors of the Group and its associate companies is disqualified as on 31st March 2017 from being appointed as a Director in terms of Section 164 (2) of the Act.
6. We have enclosed our separate report in "Annexure A" with respect to the adequacy of the internal financial controls over financial reporting of the entities in the Group and associate companies and the operating effectiveness of such controls. We have relied on the management certification in respect of the unaudited associate company with respect to the adequacy of internal financial controls over financial reporting. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of entities in the Group and the associate companies.
7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The details of the pending litigations and its impact on the Financial Statements have been disclosed in the Standalone Financial Statements of the respective entities in the Group and by the associates.
  - ii. The Group and associate companies did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the entities in the Group and its associates.
  - iv. The Companies comprising the Group and associate companies have provided requisite disclosures in its Financial Statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November 2016 to 30th December 2016 and these are in accordance with the books of accounts maintained by the Group and the Associate Companies.
  - v. In reaching conclusions commented upon in items i) to iv) above, we have relied on our audit of the Holding Company, the audit of the subsidiary company by one of us, audit of subsidiary and associate company by some other Independent Auditors and Management Certification in the case of an associate which are unaudited.

### **“ANNEXURE A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS DRAWN IN ACCORDANCE WITH INDIAN ACCOUNTING STANDARDS, OF RAMCO INDUSTRIES LIMITED**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Ramco Industries Limited, its subsidiary and its associates (“the Group”) as of 31st March 2017 in conjunction with our audit of the Consolidated Financial Statements of the Holding Company for the year ended on 31st March 2017.

#### **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company, its subsidiary and its associate companies, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system over financial reporting.

#### **Other Matters**

We have relied on a) our audit of the Holding Company, b) the audit of the subsidiary company by one of us, c) audit of subsidiary company by some other Independent Auditors, d) audit of associate company by some other Independent Auditors and e) Management Certification in the case of associate company which is unaudited.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Financial Statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary and associate companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Group and its associates considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**

- 2.4 The significant accounting policies used in preparing the financial statements are set out in Note No.5
- 2.5 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- 2.6 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- 2.7 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- 2.8 The financial statements are presented in Indian Rupees rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

**Principles of Consolidation**

- 2.9 The CFS of the parent Company and its subsidiary Company have been Consolidated on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after elimination of intra-group balances and intra-group transactions resulting in unrealized Profits / Losses
- 2.10 The CFS has been prepared using uniform accounting policies for like transactions and other events in similar circumstances and is presented, to the extent possible, in the same manner as the parent Company's standalone financial statements.
- 2.11 Non-controlling interest in the net assets of Consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the parent Company's shareholders. Non-controlling interest in the net assets of Consolidated subsidiary consists of"
  - a. The amount of subscribed equity share capital attributable to minority shareholders during the year
  - b. The minority share of movement in equity since the date the parent subsidiary relationship came in to existence
- 2.12 The CFS includes the share of profit / loss of the associate companies that are accounted for using equity method in accordance with Ind AS 28. Accordingly, the share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added / deducted from the cost of investment. The most recent available financial statements of the associate are used by the company in applying the equity method.
- 2.13 Under equity method of accounting, the investments are initially recognized at the fair value of net asset of Associate Company from the date on which it becomes as associate and any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows:
  - a. Goodwill relating to an associate is included in the carrying amount of the investment and the same is not amortised.
  - b. Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is recognised directly in equity as capital reserve in the period in which the investment is acquired.

Subsequently, the carrying amount of investment is adjusted to recognize the Company's share of post-acquisition profits or losses of the Associates in the profit & loss and also its share of Other Comprehensive Income (OCI) of the Associate Company separately under Other Comprehensives Income.
- 2.14 Dividend received or receivable from Associates are recognized as a reduction in the carrying amount of the Investment
- 2.15 Unrealised gains on transactions between the group and its associates are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.
- 2.16 At each reporting date, the Company determines whether there is any objective evidence that the investment in the associate is impaired, If there is such evidence, the company provides for impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognized the loss as "Share of profit of an associate" in the statement of profit or loss.
- 2.17 The statement of profit and loss reflects the company's share of results of operations of its associates. Any change in OCI of those investees is presented as part of the Group's OCI.

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**

**3. First time adoption of Ind AS**

The CFS for the year ended 31-03-2017 are the first financial statements prepared in accordance with Ind AS. The Reconciliation and description of the effect of transition from previous GAAP to Ind AS on Equity, Statement of Profit and Loss and Cash flow are provided in Note 57. The Balance sheet as on the date of transition has been prepared in accordance with Ind AS 101 - First time adoption of Indian Accounting Standards (Ind AS). All applicable Ind AS were applied consistently and retrospectively in preparation of the first Ind AS Financial Statements with certain mandatory exceptions and voluntary exemptions for the specific cases as provided under Ind AS 101.

**Estimates**

The estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP unless there is objective evidence that those estimates were in error. Accordingly, the Company has not made any changes to estimates made in accordance with previous GAAP.

The mandatory exceptions to the retrospective application under Ind AS 101 that are applicable to the Company are as below:

<b>Mandatory Exceptions under Ind AS 101</b>	<b>Compliance</b>
<b>Derecognition of previously recognised financial assets/financial liabilities</b>	
An entity shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.	The Company has applied the de-recognition requirements prospectively.
<b>Hedge accounting</b>	
At the date of transition to Ind AS, an entity shall measure all derivatives at fair value and eliminate all deferred losses and gains arising on derivatives that were reported in accordance with previous GAAP as if they were assets or liabilities. An entity shall not reflect in its opening Ind AS Balance Sheet a hedging relationship that does not qualify for hedge accounting in accordance with Ind AS 109.	The Company has measured derivatives at fair value through profit and loss.  The Company does not have any hedging relationship that meets the qualifying criteria for Hedge accounting.
<b>Classification and measurement of financial assets</b>	
Classification and measurement of financial assets shall be made on the basis of the facts and circumstances that exist at the date of transition to Ind AS.	The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured financial assets on the date of transition.
<b>Impairment of Financial Assets</b>	
Impairment requirements under Ind AS 109 should be applied retrospectively based on the reasonable and supportable information that is available on transition date without undue cost or effort.	The Company has applied impairment requirements retrospectively.

The voluntary exemptions to the retrospective application under Ind AS 101 that are applicable to the Company are as below:

<b>Voluntary Exemption under Ind AS 101</b>	<b>Option exercised</b>
<b>Deemed Cost</b>	
An entity may elect to measure an item of property, plant and equipment and intangible asset at the date of transition to Ind AS at its fair value and use that fair value as deemed cost at that date or may measure the items of property, plant and equipment, intangibles by applying Ind AS retrospectively or use the carrying amount under Previous GAAP on the date of transition as deemed cost.	The Company has opted to continue with the carrying amount for all of its property, plant and equipment and intangible assets measured as per Previous GAAP and use that as its deemed cost as at the date of transition.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

<b>Business Combinations</b>	
A first-time adaptor may elect not to apply Ind AS 103 retrospectively to past Business Combinations (business combinations that occurred before the date of transition to Ind AS). However, if a first-time adopter restates any business combination to comply with Ind AS 103, it shall restate all later business combinations and shall also apply Ind AS 110 from that same date. The exemption for past business combinations also applies to past acquisitions of investments in associates, interests in joint ventures and interests in joint operations in which the activity of the joint operation constitutes a business, as defined in Ind AS 103. Furthermore, the date selected for paragraph C1 applies equally for all such acquisitions.	The Company elects to apply Ind AS 103 retrospectively for the past acquisition of investment in associates with effect from 01.04.2015
<b>Designation of previously recognised financial instruments</b>	
An entity may designate in investment in an equity instrument as at fair value through other comprehensive income (FVTOCI) in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS	The Company has designated all equity instruments in companies other than subsidiaries / associates at FVTOCI, based on the assessment made on the date of transition to Ind AS.
<b>Investments in Subsidiary and Associates</b>	
An entity is required to account for its investments in subsidiaries, joint ventures and associates either (a) at cost; or (b) in accordance with Ind AS 109. Such cost shall be cost as per Ind AS 27 or deemed cost. The deemed cost of such an investment shall be its fair value on the date of transition to Ind AS or Previous GAAP carrying amount at that date.	The Company has opted to measure its investment in subsidiaries / associates as per the previous GAAP carrying amount as at the date of transition to Ind AS.
<b>Designation of previously recognised financial instruments</b>	
An entity may designate an investment in an equity instrument as at fair value through other comprehensive income (FVTOCI) in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.	The Company has designated all equity instruments in companies other than subsidiaries / associates at FVTOCI, based on the assessment made on the date of transition to Ind AS.

4 **Basis of Measurement**

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 5.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

5. **Significant Accounting Policies**

5.1 **Inventories**

- 5.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- 5.1.2 Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.
- 5.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition including excise duty.

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**

Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

**5.2 Cash Flow Statement**

- 5.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- 5.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.
- 5.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

**5.3 Dividend distribution to Equity shareholders**

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes is recognised directly in Equity.

**5.4 Income Taxes**

- 5.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income tax Act, 1961 and other applicable tax laws.
- 5.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.
- 5.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- 5.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- 5.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- 5.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- 5.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

**5.5 Property, plant and equipments (PPE)**

- 5.5.1 PPEs are stated at cost of acquisition or construction (net of CENVAT / VAT wherever applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

- 5.5.2 PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 5.5.3 PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 5.5.4 Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value, except for process control systems whose residual value is considered as Nil.
- 5.5.5 Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- 5.5.6 The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

**Capital Work in progress**

- 5.5.7 Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.

**5.6 Leases**

- 5.6.1 The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset.
- 5.6.2 The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts and payments are recognised in the Statement of Profit and Loss on accrual basis as per the lease terms. The Company do not have any finance leases.
- 5.6.3 The amount paid for securing right to use of lands qualify as Operating lease and the amount paid for leasehold land is classified as "Lease prepayments" under prepaid expenses, which are amortised over the tenure of lease.

**5.7 Revenue Recognition**

- 5.7.1 Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

**5.7.2 Revenue from Operations**

***Sale of products***

Revenue is recognised at the fair value of consideration received or receivable upon transfer of significant risks and rewards of ownership of goods which coincides with the delivery of goods. Vesting occurs upon completion of five years of continuous service. The Company makes annual contributions to "Ramco Industries Limited Employees' Gratuity Fund" administered by trustees and managed by LIC of India, including for its employees in subsidiary Company, based on the Actuarial Valuation by an independent external actuary as at the Balance Sheet date using Projected Unit Credit method.
- 5.8.6 The Company provides for expenses towards compensated absences provided to its employees. The expense is recognized at the present value of the amount payable determined based on an independent external actuarial valuation as at the Balance Sheet date, using Projected Unit Credit method.
- 5.8.7 Remeasurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

**5.9 Government Grants**

- 5.9.1 In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under "Other operating revenue" or netted off against corresponding expenses wherever appropriate. Receivables of such grants are shown under "Other Financial Assets". Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same. Receivables of such benefits are shown under "Other Financial Assets".

**5.10 Foreign currency transactions**

- 5.10.1 The financial statements are presented in Indian Rupees, which is also the Company's functional currency.
- 5.10.2 All transactions in foreign currency are recorded on initial recognition at their functional currency exchange rates prevailing on that date.
- 5.10.3 Monetary assets and liabilities in foreign currencies outstanding at the reporting date are translated to the functional currency at the exchange rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**

5.10.4 Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the date of transaction.

5.10.5 In case of foreign subsidiaries, being non-integral foreign operations, revenue items are Consolidated at the moving average rate during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Exchange Fluctuation Reserve.

**5.11 Borrowing Costs**

5.11.1 Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

5.11.2 Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings cost are expensed in the period in which they occur.

**5.12 Earnings per Share**

5.12.1 Net profit after tax is divided by the weighted average number of equity shares including un-allotted bonus shares outstanding during the year, after deducting treasury shares which represents holding of its own shares indirectly through associates by way of reciprocal interests.

5.12.2 Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.

5.12.3 The Company do not have any potential equity shares.

**5.13 Impairment of Non-financial Assets**

5.13.1 The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

5.13.2 Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

5.13.3 An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

5.13.4 An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

**5.14 Provisions, Contingent Liabilities and Contingent Assets**

5.14.1 Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

5.14.2 Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

5.14.3 Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.

5.14.4 Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

**5.15 Intangible Assets**

- 5.15.1 The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- 5.15.2 The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- 5.15.3 The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

**5.16 Investment Properties**

- 5.16.1 An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- 5.16.2 Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- 5.16.3 The company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- 5.16.4 Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 5.16.5 The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

**5.17 Operating Segments**

Operating segment has been identified on the basis of nature of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.

The Company has three operating/reportable segments viz. building, textile and wind power generation.

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

**5.18 Financial Instruments**

- 5.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- 5.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- 5.18.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

**Financial Assets**

- 5.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.
- 5.18.5 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
- a) Amortised cost; or
  - b) Fair value through other comprehensive income (FVTOCI); or
  - c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

- 5.18.6 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

- 5.18.7 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:
- a. significant risk and rewards of the financial asset, or
  - b. control of the financial asset
- However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.
- 5.18.8 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.
- 5.18.9 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

**Financial Liabilities**

5.18.10 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.

5.18.11 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

5.18.12 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

5.18.13 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

5.18.14 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

**5.19 Fair value measurement**

5.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

5.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

5.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

- 5.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- 5.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- 5.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

***Investments in Equity / Mutual Funds***

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

***Trade and other receivables***

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

***Forward exchange contracts***

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

***Non-derivative financial liabilities***

The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

***Financial guarantee obligation***

The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

***Investment Properties***

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

**6. Significant Estimates and Judgements**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

***Property, Plant and Equipment, Intangible Assets and Investment Properties***

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

***Current Taxes***

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

***Deferred Tax Asset (Including MAT Credit Entitlement)***

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

***Contingent Liabilities***

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

***Impairment of Trade receivables***

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

***Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)***

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

***Defined Benefit Plans and Other long term benefits***

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

***Fair value measurement of financial instruments***

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

***Interests in other entities***

The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights. Significant management judgement is exercised in determining the interests in other entities to determine whether such associates are individually immaterial or not for the purpose of disclosure requirements.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

#### 43. Disclosure of Fair value measurements

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

44. Financial Risk Management

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

**Credit Risk**

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

**Receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

#### Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

#### Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

#### Financial arrangements

The Company has access to the following undrawn borrowing facilities:

**Foreign Currency Risk**

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company's exposure to foreign currency risk (un-hedged) as detailed below:

**Cash flow and fair value interest rate risk**

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/ floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

**Interest rate risk exposure**

**45. Capital Management**

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholders' wealth.

The Company manages its capital structure and makes adjustments in the light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus Debt.

<b>Capital Gearing Ratio (A) / (C)</b>	<b>11.40%</b>	<b>12.22%</b>	<b>15.18%</b>

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans/borrowing. The Company has been consistently focusing on reduction in long term borrowings. There are no significant changes in the objectives, policies or processes for managing capital during the years ended 31-03-2017 and 31-03-2016.

#### Explanatory Notes on preparation and presentation of financial statements upon transition to Ind AS

In preparing these financial statements, the Company's Opening Balance Sheet was prepared as at 1-4-2015, which is the Company's date of transition to Ind AS. The following note explains the nature of adjustments made by the Company read with Note No. 3 in restating its previous GAAP Financial Statements including its Balance Sheet as at 1-4-2015 and the financial statements as at and for the year ended 31-3-2016.

##### A. Depreciation and Amortization expense

Under previous GAAP, the carrying value of significant components of Property, Plant and Equipment which have completed their useful life, have been charged off against opening balance of Retained Earnings for the financial year 2015-16 as permitted by Schedule II to the Companies Act, 2013. However, under Ind AS, this has been taken through profit and loss for the year ended 31-3-2016 as it not a GAAP difference.

##### B. Leasehold Land

Lease prepayments made for Leasehold land were classified as Leasehold Land under previous GAAP. However, under Ind AS, prepayments made for leasehold land should be classified as lease prepayments under operating lease and the same should

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**

be amortized over the tenure of the lease. Accordingly, lease prepayments as at 1-4-2015 are reclassified from Property, Plant and Equipment into Prepaid expenses. The subsequent amortization of lease prepayments for the year ended 31-3-2016 is recognized as 'Rent' under classification of 'Other Expenses' in the Statement of Profit and Loss.

**C. Investment Properties**

Under previous GAAP as well as Ind AS, Investment Properties are required to be stated at cost net of accumulated depreciation and impairment loss, if any. Under previous GAAP, it was grouped under fixed assets whereas under Ind AS, the same is required to be disclosed as a separate line item in the Balance Sheet. Accordingly, investment properties are reclassified.

**D. Investments**

Under previous GAAP, investments in mutual funds were measured at the lower of cost or fair value. Under Ind AS, the Company is required to measure the investments in mutual funds at fair value through profit & loss and accordingly recognized the fair value gain/loss in Opening Equity or in the Statement of Profit and Loss for the year ended 31-3-2016. Under previous GAAP, long term equity instruments were measured at cost less provision for permanent diminution. In respect of investments in companies other than in Subsidiary and Associates, the Company is required to designate such investments necessarily at fair value. Therefore, the Company has designated such investments as FVTOCI Investments. At the date of transition to Ind AS, the excess /deficit of fair value of equity instruments over the previous GAAP carrying amount is recognised as fair value gain/loss, in the FVTOCI reserve/Other Comprehensive Income for the year ended 31-3-2016.

**E. Classification of Financial Instruments**

The company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets/financial liabilities. Accordingly, bifurcation of assets/liabilities as financial/Non-financial is identified and reclassified. However, this reclassification is not presented as transition adjustments.

**F. Financial Guarantee Contracts**

The Company has issued Corporate Guarantee to Banks for the loans availed by Subsidiary, Associates and other related parties. Where guarantees in relation to loans are provided for no compensation, the fair values are accounted for as contributions and recognised as part of the cost of the investment if the loan is given to Associate/Subsidiary, and recognized as Other expenses if the loan is given to other related parties. The carrying amount of financial guarantee obligation is recognized as other income over the tenure of the corporate guarantee.

**G. Presentation of MAT Credit Entitlement as 'Deferred Tax Assets'**

Under previous GAAP, MAT credit entitlement was presented under the head 'Loans and advances' since there being a convincing evidence of realization of the asset. As per Ind AS 12 on Income Taxes, Deferred Tax Assets include the amounts of income taxes recoverable in future periods in respect of the carry forward of unused tax credits. Accordingly, MAT Credit Entitlement classified as Loans and Advances under previous GAAP, are netted against Deferred Tax Liability under Ind AS.

**H. Dividend**

Under previous GAAP, dividends proposed by the Board of Directors are recognized as proposed dividend in the financial statements even though it is approved by the shareholders in the AGM. However, under Ind AS, dividend has to be recognized upon approval by the shareholders in the Annual General Meeting. Accordingly, Proposed Dividend (including Dividend Distribution Tax recognized as liability in the financial year 2014-15 as per previous GAAP has been reversed with corresponding credit to Equity as at the date of transition i.e. 1-4-2015 and recognized in the Equity during the year ended 31-3-2016 as declared and paid.

**I. Transaction cost on Borrowings**

Under previous GAAP, transaction costs (loan processing fees) incurred in connection with borrowings is charged to profit or loss up front. Under Ind AS, transaction cost is to be included in the initial recognition and charged to profit or loss using the effective interest method. Accordingly, transaction cost on borrowings is reversed to Equity, for the loans outstanding as at 1-4-2015 and additional interest expense is recognized in the Opening Equity for the period upto 1-4-2015, using Effective Interest Rate method (EIR). For the year ended 31-3-2016, the Company has reversed the transaction cost pertaining to the Borrowings availed during the year 2015-16 and the additional Interest impact computed using EIR method is recognized as Finance cost.

**J. Recognition and Measurement of Forward Contracts on Mark To Market (MTM)**

Under previous GAAP, in respect of forward contracts, the difference between the forward rate and the exchange rate at the inception of the forward exchange contract is recognized as income/expenses over the tenure of such contract. Under Ind AS, the fair value of forward foreign exchange contracts has to be recognized. Accordingly, the assets and liabilities related to forward contracts recognized under previous GAAP are reversed and Mark to Market (MTM) gain/loss is recognized as other expenses in the Statement of Profit and Loss.

**K. Deferred Tax**

Deferred tax is accounted using income statement approach by computing the differences between taxable profits and accounting profits for the period under previous GAAP. As per Ind AS 12, the deferred tax is to be computed using the balance sheet approach, which is based on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. Deferred tax adjustments are recognized either in retained earnings or a separate component of equity.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

**L. Security Deposits from Customers & Service Providers**

The company has presented the Security deposits from Customers & Service providers as Non-current liability under previous GAAP as per the FAQ on Schedule III to the Companies Act 2013 issued by ICAI based on the fact that company's past record shows that these deposits are not generally claimed and hence it was appropriate to treat it as non-current liability. However, as per Educational material issued by ICAI on Ind AS 1 Presentation of Financial Statements, such deposits have to be classified under Current Financial Liability only in view of the fact that the Company does not have the unconditional right to defer settlement of the liability. Accordingly, the Company has reclassified Security Deposits from Customers/Service providers from non-current liability to other current financial liabilities.

**M. Defined Benefit Plan**

Under previous GAAP, actuarial gains and losses are charged to profit or loss. Under Ind AS re-measurements of net defined benefit asset/liability comprising of actuarial gains or losses are arising from experience adjustments and changes in actuarial assumption are charged/credited to other comprehensive income. There is no impact on the total equity as at 31-3-2016. However for the period upto the date of transition, the Company has transferred all re-measurement costs recognized in the past periods within accumulated profits or loss (a component of equity), in accordance with provisions of Para 122 of Ind AS 19.

**N. Excise Duty**

Under previous GAAP, Sale of goods and scraps was presented as net of excise duty. However, under Ind AS, sale of goods and scraps includes excise duty. Excise duty on sale of goods and scraps is separately shown as a line item in the Statement of Profit and Loss as part of expenses. However, there is no impact on the total equity and profit.

**O. Dealer Awards**

Under previous GAAP, Dealer awards were recognized as part of Sales Promotion Expenses. However, under Ind AS, the same has to be netted against Revenue. Accordingly, dealer awards have been netted against Revenue from Operations in the Statement of Profit and Loss.

**P. Other Comprehensive Income (OCI)**

This is a new classification under Ind AS. Any income or expense that are not required to be recognized in profit or loss are shown under a new category namely OCI in the Statement of Profit and Loss namely re-measurements of defined benefit plans, gains and losses from investments in equity instruments designated at fair value through other comprehensive income, gains and losses on financial assets measured at fair value through other comprehensive income, gain or loss on financial instruments that qualify for hedge accounting, changes in revaluation surplus and gains and losses arising from translating the financial statements of a foreign operation.

**Q. Bank Overdraft**

Under previous GAAP, bank overdrafts were considered as part of borrowings and movements in the same were shown as part of financing activities. Under Ind AS, Bank overdrafts repayable on demand are to be treated as an integral part of the cash management process. Accordingly, Bank overdraft is included in Cash and Cash equivalents for the purpose of presentation of Statement of Cash Flows.
