## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### Global Economy

The global economy grew by 2.9% in Calendar Year (CY) 2019 as compared to 3.6% in CY 2018. Rising trade barriers, weak manufacturing activity and a slowdown among major EMDEs (Emerging Markets and Developing Economies) especially India contributed to the moderation in growth. The EMDEs grew by 3.7% (4.5% in CY 2018) and advanced economies by 1.7% (2.2% in CY 2018). Moving into CY 2020, with world faced by an unprecedented crisis, COVID-19 pandemic, economies of all countries are likely to degrow leading to 4.9% decline in global economy. The impact would be stronger in countries struggling to contain the infection rate. Beyond the pandemic, global cooperation will be important to resolve trade and technology tensions to ensure faster recovery.<sup>1</sup>

### Indian Economy

The Indian economy grew by 4.2% in FY 2019-20 as against 6.1% in FY 2018-19. The year started with weakness in financial sector, low investment and consumption confidence and eventually culminated with one of the deadliest pandemics whose impact was greater than anticipated.

Industrial and services sector reported slower growth at 0.9% and 5.5% respectively as compared to 4.9% and 7.7% respectively in the previous year. The automobile sector continued its contraction, while bank credit remained tepid, confirming the weakness of demand.

A sharp decline in oil prices did benefit the economy, however its impact was short lived with prices gradually firming up as oil producing countries agreed to cut production. Also, with the Government hiking duties and VAT, the benefit was not passed to consumers.

The only silver lining has been the agriculture and allied sector which grew by 4% as compared to 2.4% in FY2018-19 led by a 3.7% increase in food grains production. The forecast of a normal monsoon by the India Meteorological Department (IMD) for 2020 sowing season augurs well for agriculture output and farm incomes.

Going into FY 2020-21, the macro economic scenario will continue to be challenging. With uncertainty about the pandemic and extended lockdown, the downside risks to domestic growth remain significant. However, positive measures like rollout of stimulus package and structural reforms by the Government and proactive liquidity management and easing of monetary policy by RBI will provide some support. The economic activity is expected to recover gradually from the second half of the year 2020-21. The IMF expects the country's GDP to contract by 4.5% in 2020 and eventually pick up momentum and grow by 6% in 2021.<sup>2</sup>

### Review of Operations and Current Trends

#### A. BUILDING PRODUCTS DIVISION:

PRODUCT	PRODUCTION Qty. in M.T.		SALES Qty. in M.T.		TURNOVER ₹ in Lakhs	
	31.03.20	31.03.19	31.03.20	31.03.19	31.03.20	31.03.19
Fibre Cement Sheets	5,66,436	5,99,970	5,44,414	6,07,632	54,097	60,950
Fibre Cement Boards	69,468	63,275	72,770	62,511	13,774	11,714

#### a) Fibre Cement (FC) Sheets:

During the year under review, the Sales quantity of FC Sheets dropped by around 10% compared to previous year; industry level drop was 13% for the year. The market remained flat in North, low off take in south. New geographical markets for sales are being explored amid stiff competition. Realisation remained flat compared to last year due to stiff pricing policies by competitors. Depreciation of Rupee also affected the raw material's cost. Consistent and Judicious usage of raw materials and supplier negotiations helped to partially mitigate the impact.

Union Government's initiatives on Rural development, good monsoon and Prime Minister's Swachh Bharat Abhiyan scheme and Awas Yojana for providing financial support for housing for the poor, Better minimum support prices to agriculture crop by the Government, resolving farmers issue, firming up of steel and iron prices will be boost for fibre cement products and reverse the trend. Promotional efforts are vigorously taken to explore new potential areas with more customized products.

Greencor, Non-Asbestos roofing sheets have been well accepted in the market and sales has been in encouraging state.

#### b) Fibre Cement Boards :

Efforts are taken to increase Production and Sales during the year under review. New variants with superior features were well received in the Market. New vertical created for penetration into plywood counters. Marketing initiatives such as Meets and TV Commercials done to create awareness of the various product range. There has been increase in production compared to last year, Sales also have been increased compared to last year.

Sales of Boards has increased by 16% both in Volume & by 18% in Value terms. 5 New Export markets have been added and Export Sales has been very positive during the last financial Year. Further growth is expected in the coming quarters as new markets are being added.

Smart Build Operations offering complete solutions in Green Dry Construction to customers, was started in September 2017 and turnkey projects with an approximate value of ₹ 7 Crores are under execution which is promising venture and approximately ₹ 15 - 20 Crores of business is expected in the year 2020-2021.

New products like G I Frames and Accessories used in Dry wall Partition and False Ceiling, Sandwich Panels, Mineral Fibre Tiles & Shingles are planned to be sourced and launched in the RAMCO brand, adding to the basket of offerings to the customers.

**c) Fibre Cement Pressure Pipes:**

Operations of Pressure Pipes continued to be under pressure owing to the sluggish market. The Union Government's infrastructure initiatives are expected to increase the sale of this product.

**B. WIND MILLS:**

During the Financial Year 2019-20, the Wind energy was moderate with decrease of 3% compared to last year, from the existing 15 Wind Mills.

Position regarding Wind Mills was as follows: -

Total Capacity Installed	: 16.73 MW
Total Units generated	: 257 Lakh Units (P.Y: 264 Lakh Units)
Income earned	: ₹ 1559 Lakhs (P.Y: ₹ 1630 Lakhs)
(by generation/sale of power)	

**C. COTTON YARN DIVISION - SRI RAMCO SPINNERS :**

**Production and Sales :**

During the year 2019-20, the Unit had produced 24.49 Lakh Kgs. of Cotton Yarn as compared to 29.42 Lakh Kgs. produced during the previous year. The Unit had sold Yarn at 30.31 Lakh Kgs. (including traded yarn) during the year under review as against 36.18 Lakh Kgs. during 2018-19.

During the year under review, the performance of the Cotton yarn division decreased when compared to previous year. The reduction in yarn selling price, increase in raw material cost and in operating cost affected the performance of the company during the year 2019-20.

With the moderation in cotton prices & stability in yarn prices, your Directors are hopeful in achieving good results during the year 2020-21.

**D. OVERSEAS OPERATIONS OF SUBSIDIARIES - SRI RAMCO LANKA (PRIVATE) LIMITED AND SRI RAMCO ROOFINGS LANKA (PRIVATE) LIMITED, SRI LANKA:**

#### **MATERIAL CHANGES SINCE 1ST APRIL 2020**

The outbreak of COVID-19, had an adverse impact with regard to Company's production and sales during the year 2019-2020. Subsequent to the relaxations announced by the Statutory Authorities in 2020-2021, the company's plants have started operations. With the expected revival of demand, the capacity utilisation levels are also expected to increase.

There have been no other material changes affecting the financial position of the company between the end of the financial year and till the date of this report.

**FUTURE OUTLOOK**

Construction activity had been completely halted in April and May 2020 and all projects were put on hold, lead to collapse of cash flow in the business. Returning of Migrant Labours to home town will create labour scarcity and affect progress of work and completion of projects. All Dealer counters are closed and little demand for goods from them during April 2020. Government has started relaxing the restrictions. Wherever such relaxations are in, economic activities have started resuming.

New construction activity is minimal and is primarily seen in the rural markets. Since we had good monsoons last year, the rural markets look more promising compared to urban markets. As we are well positioned in the rural markets, we expect to reap the benefit of demand growth there. The Union Budget for the year 2020-21 focused on uplifting of the rural economy, strengthening of the agriculture sector, annual cash incentive for small farmers, infrastructure creation and MSME Sector which would augur well for the industry.

Goods and Services Tax (GST), a single tax to replace the erstwhile Central and State multi taxes and levies, is stabilized and moderated.

Your Company is prepared to meet the demand of the products and is taking initiatives to increase the market especially in Boards business. USD-INR volatility could be a dampener for the profitable growth.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO**

Pursuant to Section 134(3) (m) of the Companies Act, 2013 and Rule 8(3) of Companies (Accounts) Rules, 2014 the information relating to Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo is attached as Annexure -8

**PARTICULARS OF EMPLOYEES AND RELATED DISCLOSURES**

The disclosures in terms of provisions of Section 197(12) of the Companies Act, 2013 read with Rule 5(1), (2) & (3) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, relating to remuneration are provided in Annexure - 9.

**INDUSTRIAL RELATIONS & PERSONNEL**

Industrial relations continue to be cordial and harmonious at all the Units. Employees at all levels are extending their fullest co-operation for the various cost reduction measures of the Company. There is a special thrust on Human Resources Development with a view to promoting creative and group effort.

**CREDIT RATING**

The ratings for the Company's borrowing are available in Corporate Governance Report.

**SHARES**

The Company's shares are listed in BSE Limited and National Stock Exchange of India Limited and the Annual Listing Fees have been paid for the F.Y. 2020-21 respectively.

We have conducted a Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by RAMCO INDUSTRIES LIMITED (hereinafter called "the Company") during the financial year from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020 ("the year" / "audit period" / "period under review").

We conducted the Secretarial Audit in a manner that provided us a reasonable basis for evaluating the Company's corporate conducts/ statutory compliances and expressing our opinion thereon.

We are issuing this report based on:

- (i) Our examination / verification of the physical / electronic books, papers, minute books and other records maintained by the Company and furnished to us, forms/ returns filed and compliance related action taken by the Company during the year as well as after 31<sup>st</sup> March 2020 but before the issue of this audit report;
- (ii) Our observations during our visits to the Corporate office of the Company and one of the factories of the Company;
- (iii) Compliance certificates confirming compliance with all laws applicable to the Company given by the key managerial personnel / senior managerial personnel of the Company and taken on record by the Audit Committee/ Board of Directors; and
- (iv) Representations made, documents shown and information provided by the Company, its officers, agents and authorised representatives during our conduct of the Secretarial Audit.

We hereby report that, in our opinion, during the audit period covering the financial year ended on 31<sup>st</sup> March 2020, the Company has:

- (i) Complied with the statutory provisions listed hereunder; and
  - (ii) Board processes and compliance mechanism in place
- to the extent, in the manner and subject to the reporting made hereinafter.

The members are requested to read this report along with our letter of even date annexed to this report as Annexure - A.

**1. Compliance with specific statutory provisions**

**We further report that:**

- 0.1. We have examined the books, papers, minute books and other records maintained by the Company and the forms, returns, reports, disclosures and information filed or disseminated during the year according to the applicable provisions/ clauses of:
  - (i) The Companies Act, 2013 and the rules made thereunder (the Act).
  - (ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder.
  - (iii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder.
  - (iv) Foreign Exchange Management Act, 1999 and the rules/ regulations made thereunder to the extent of Overseas Direct Investment (FEMA);
  - (v) The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Regulations"):-
    - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
    - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
    - (c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR); and
  - (vi) The listing agreements entered into by the Company with the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) (Agreements).
  - (vii) Secretarial Standards issued by The Institute of Company Secretaries of India (Secretarial Standards).
- 0.2 During the period under review, and also considering the compliance related action taken by the Company after 31<sup>st</sup> March 2020 but before the issue of this report, the Company has, to the best of our knowledge and belief, and based on the records, information, explanations and representations furnished to us:

**SECTION E: PRINCIPLE-WISE PERFORMANCE**

**Principle 1**

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Company's policies viz. Code of Conduct for Board of Directors and Senior Management Personnel and Whistle Blower Policy lay down the rules and procedures by which any stakeholder can report the actual or suspected improper activities of any kind, fraud and violation of company's code of conduct. The whistle blower policy extends to individuals who are in full time or part time employment with the company or its subsidiaries including those serving as consultants and contract / third party employees.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

No complaint has been received under Whistle Blower Policy. During the year under review no complaint has been received from Shareholders relating to non-receipt of dividends / annual report.

**Principle 2**

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

A. Fibre Cement Sheet

The Company is producing Fibre Cement roofing sheets which utilises Fly ash and Slag as raw materials. Fly ash is an Industrial waste from Thermal power plants and Slag is an Industrial waste from Steel plants as green strategy. Also the company utilises Cotton rag pulp as one of the raw material which is processed from waste cloths/hosieries. Utilisation of these materials in the company's manufacturing process protect environment

B. Power Generation - Wind Energy

Company invested in Wind Mill Generators for non-conventional pollution free power generation in three states viz., Tamilnadu, Karnataka and Gujarat.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

(a) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?

Resources	Units of Measurement	2019-2020	2018-2019
Fly Ash	% per ton of RM Mix	34.0	34.0
Slag	% per ton of RM Mix	8.0	5.0
Cotton Rag Pulp	% per ton of RM Mix	2.0	1.8
Power	Kwh/Ton of Sheet	44	45

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The consumption of water is greatly reduced by using company's Hicem Board and Hilux board instead of conventional brick and Mortar system promoting dry green construction

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

(a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The manufacturing Units are situated nearby Cement plants/Thermal Power plants to enable bulk transportation of Cement and Fly ash to reduce cost and pollution.

## INDEPENDENT AUDITOR'S REPORT

To the Members of RAMCO INDUSTRIES LIMITED

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the Standalone financial statements of RAMCO INDUSTRIES LIMITED ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, and the Statement of Profit and Loss, the Statement of changes in Equity and the Statement of cash flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

We draw attention to Note No. 49 to the Standalone financial statement, which describes the uncertainties and the impact of the COVID-19 pandemic on the company's operations and results as assessed by the management. The Management has assessed that there is no material impact on the financial statements due to lockdown and related restrictions imposed towards controlling the COVID 19 pandemic. Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p><b>Adoption of Ind AS 116 Leases</b></p> <p>The Company has adopted Ind As 116 with effect from 1<sup>st</sup> April 2019 using Modified Retrospective Approach. The application and transition to this new accounting standard is complex and involves significant judgment and estimates made by the management which includes measuring of liability for all leases.</p> <p>The company has adopted the Modified Retrospective Approach method for transition to Ind AS 116, consequently comparative figures for the previous years have not been restated and continue to report under Ind AS 17.</p> <p><b>(Refer to Note No. 4.6 to the Standalone Financial Statements)</b></p>	<p><b>Principal Audit Procedures</b></p> <p>Our Audit procedures involved review of the company's Ind AS 116 implementation process, and key judgments made by management evaluation of lease agreements/arrangements on sample basis and comparison of the same with management's evaluation and assessment. We also evaluated the computation of lease liabilities and the discount rates adopted.</p> <p>Our tests on sample basis focused on reviewing the key terms and conditions of the lease agreements and obtaining evidence for the estimated useful live of right of use assets.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures the Standalone financial statements.</p>
2	<p><b>Recognition and measurement of deferred taxes</b></p> <p>The recognition and measurement of deferred tax items requires determination of differences between the recognition and the measurement of assets, liabilities, income and expenses in accordance with the Income Tax Act and other applicable tax laws including application of ICDS and financial reporting in accordance with Ind AS.</p>	<p><b>Principal Audit Procedures</b></p> <p>The key matter was addressed by performing audit procedures which involved assessment of underlying process and evaluation of internal financial controls with respect to measurement of deferred tax and assessment of the items leading to recognition of deferred tax in light of prevailing tax laws and applicable financial reporting standards.</p>

S. No.	Key Audit Matter	Auditor's Response
	<p>Assessment of Deferred Tax Assets is done by the management at the close of each financial year taking into account forecasts of future taxable results.</p> <p>We have considered the assessment of deferred tax liabilities and assets as a key matter due to the importance of management's estimation and judgment and the materiality of amounts.</p> <p>(Refer to Note No. 4.4.4, 4.4.5 and 4.4.6 to the Standalone Financial Statements)</p>	<p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>
3	<p><b>Evaluation of uncertain Tax Position/ Other contingent liabilities</b></p> <p>The Company has material uncertain tax position in respect of possible or actual taxation disputes, litigations and claims. The provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various legal forums.</p> <p>(Refer to Note No. 39 to the Standalone Financial Statements)</p>	<p><b>Principal Audit Procedures</b></p> <p>The Audit addressed this Key Audit Matter by assessing the adequacy of tax Provisions by reviewing the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We reviewed the significant litigations and claims and discussed with the Company's legal counsel, external advisors about their views regarding the likely outcome and magnitude of and exposure to relevant litigation and claims.</p> <p>We also reviewed the relevant judgements and the opinions given by the company's advisers, which were relied on by the management for such claims.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>
4	<p><b>Existence and impairment of Trade Receivables</b></p> <p>Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business, the requirements of customers and various contract terms are in place, there is a risk that the carrying values may not reflective of their recoverable amounts as at the reporting date, which would require an impairment provision. Where there are indicators of impairment, the company undertakes assessment of the recoverability of the amounts. Given the magnitude and inherent uncertainty involved in the judgement, in estimating impairment assessment of trade receivables, we have identified this as a key audit matter.</p> <p>(Refer to Note No. 12 to the Standalone Financial Statements)</p>	<p><b>Principal Audit Procedures</b></p> <p>We performed audit procedures on the assessment of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of impairment on trade receivables requires judgement and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable.</p> <p>We also reviewed the system of obtaining monthly confirmation from the customers, which are kept in electronic mode by the company. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Standalone financial statements.</p>

**Information Other than the Standalone Financial Statements and Auditors' Report Thereon**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Report on CSR activities, and Shareholders information but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Management's Responsibility for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs, profit or loss including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of Companies Act 2013 read with relevant rules issued there under and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matters**

The Standalone Financial Statements includes financial performance of a foreign branch which reflects total assets of ₹ 200.01 Lakhs, total revenue of ₹ 112.89 Lakhs and net cash inflow amounting to ₹ 21.21 Lakhs for the year ended on 31<sup>st</sup> March 2020, which was audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the Standalone financial statements solely based on such audited financial statements.

Our attendance at the physical inventory verification done by the management was impracticable under the current lockdown restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 “Audit Evidence - Specific considerations for selected items” and have obtained sufficient audit evidence to issue our un-modified opinion on these Standalone financial results.

Our opinion is not modified in respect of these matters.

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (e) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our Separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company’s internal financial control over financial reporting.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197(16) of the Act, as amended:  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the details of the pending litigations and its impact on the financial position in its Standalone financial statements have been disclosed in Note No. 39.2.1 to 39.2.10 of the Disclosures forming part of the Standalone Financial Statements for the year ended 31<sup>st</sup> March 2020;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

**“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS PREPARED IN ACCORDANCE WITH THE INDIAN ACCOUNTING STANDARDS OF RAMCO INDUSTRIES LIMITED.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of M/s. RAMCO INDUSTRIES LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31<sup>st</sup>, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company caters mainly to the domestic markets. The Company is also engaged in sale of surplus electricity generated from its windmills after meeting its captive requirements.

The financial statements of the Company for the year were approved and adopted by Board of Directors of the Company in their meeting dated 19-06-2020.

### 2. Basis of Preparation of Separate Financial Statements

- 2.1 The Company has prepared its financial statements in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.
- 2.2 The significant accounting policies used in preparing the financial statements are set out in Note No.4
- 2.3 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- 2.4 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- 2.5 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- 2.6 The financial statements are presented in Indian Rupees rounded off to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

### 3. Basis of Measurement

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 4.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

### 4. Significant Accounting Policies

#### 4.1 Inventories

- 4.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc. , are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- 4.1.2 Process stock is valued at moving weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.
- 4.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

### 4.2 Cash Flow Statement

- 4.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- 4.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.
- 4.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

### 4.3 Dividend distribution to Equity shareholders

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes (If any) is recognised directly in Equity.

### 4.4 Income Taxes

- 4.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- 4.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.
- 4.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- 4.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- 4.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- 4.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- 4.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

### 4.5 Property, plant and equipments (PPE)

- 4.5.1 PPEs are stated at cost of acquisition or construction (net of GST wherever eligible and applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

**NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

- 4.5.2 The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset type	Useful life ranging from
Buildings	3 to 60 years
Plant and Machinery	5 to 25 years
Windmills	5 to 25 years

- 4.5.3 PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 4.5.4 PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 4.5.5 Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value or any value whichever is less.
- 4.5.6 Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- 4.5.7 The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

Capital Work in progress

- 4.5.8 Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date

**4.6 Leases**

- 4.6.1 The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous figures has not been restated and continue to be reported under Ind AS 17.
- 4.6.2 Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable leases is more than 12 months, at the present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability, adjusted for prepaid lease payments recognised in the balance immediately before the date of initial application.
- 4.6.3 The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfillment of arrangement is dependent on the use of an underlying asset and the arrangement conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

- 4.6.4 The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

## NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

- 4.6.5 The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.
- 4.6.6 The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.
- 4.6.7 The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities in 'Financial Liabilities' in the Balance sheet.
- 4.6.8 The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.
- Company as a Lessor
- 4.6.9 The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

## NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

### Foreign Branch Operations

Income and expenditure transactions are translated to functional currency using monthly moving average exchange rate.

Monetary assets and liabilities of foreign branch as at the reporting date are translated to the functional currency at the exchange rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.

Non-monetary items of foreign branch are carried at historical cost denominated at functional currency and are reported using the exchange rates at the transaction date.

### 4.11 Borrowing Costs

4.11.1 Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

4.11.2 Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the general borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. To the extent that funds are borrowed specifically for the purpose of obtaining a qualifying asset, the amount of borrowing cost eligible for capitalisation on that asset is determined as the actual borrowing costs incurred on that borrowing during the period less any income on the temporary investment of those borrowings. The amount of borrowing cost that the Company capitalises does not exceed the amount of borrowing cost incurred during that period. All other borrowings cost are expensed in the period in which they occur.

### 4.12 Earnings per Share

4.12.1 Net profit after tax is divided by the weighted average number of equity shares including un-allotted bonus shares outstanding if any, during the year.

4.12.2 Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.

4.13.2 Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

4.13.3 An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

4.13.4 An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

### 4.14 Provisions, Contingent Liabilities and Contingent Assets

4.14.1 Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

4.14.2 Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

**NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

4.14.3 Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.

4.14.4 Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

**4.15 Intangible Assets**

4.15.1 The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.

4.15.2 Intangible Assets are amortised over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team. Its accounting classification is given below:

Nature of Intangible assets	Estimated useful life
Computer software	5 years
Amortisation of Intangible assets	Accounting classification
Computer software	Depreciation & Amortisation

4.15.3 The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.

4.15.4 The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

**4.16 Investment Properties**

4.16.1 An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.

4.16.2 Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.

4.16.3 The company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

4.16.4 Depreciation on investment properties are calculated on straight-line method based on useful life of the significant components.

Asset type	Useful life ranging from
Buildings under Investment properties	60 years

4.16.5 Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognised in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.

4.16.6 The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

### 4.17 Operating Segments

Operating segment has been identified on the basis of nature of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.

The Company has three operating/reportable segments viz. building products, textile and wind power generation.

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

### 4.18 Financial Instruments

4.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

4.17.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

#### Financial Assets

4.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

4.18.5 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortised cost; or
- b) Fair value through other comprehensive income (FVTOCI); or
- c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

4.18.6 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

**NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

4.18.7 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retention of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

4.18.8 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

4.18.9 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

**Financial Liabilities**

4.18.10 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.

4.18.11 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

## NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

- 4.18.12 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- 4.18.13 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or canceled or expired.
- 4.18.14 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.
- 4.19 Fair value measurement
- 4.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- 4.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- 4.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.
- 4.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- 4.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- 4.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:
- Investments in Equity / Mutual Funds***
- The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.
- Trade and other receivables***
- The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.
- Forward exchange contracts***
- The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.
- Non-derivative financial liabilities***
- The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.
- Financial guarantee obligation***
- The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

## NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

### *Investment Properties*

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

### 5. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

#### **Property, Plant and Equipment, Intangible Assets and Investment Properties**

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

#### *Current Taxes*

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

#### *Deferred Tax Asset (Including MAT Credit Entitlement)*

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### **Contingent Liabilities**

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

#### *Impairment of Trade receivables*

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

#### *Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)*

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

#### *Defined Benefit Plans and Other long term benefits*

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

#### *Fair value measurement of financial instruments*

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value the inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

#### **Interests in other entities**

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

39.2.1 Income Tax Assessment completed **up to FY 2016-17** and total pending demand is ₹ 1,915.49 lakhs (As at 31-03-2019: ₹ 2,017.21 lakhs). This demand has been disputed by the company and the company has preferred appeals before appellate authorities in respect of various disallowances in assessments and the appeals are pending. In the opinion of the Management, there may not be any further tax liability with regard to the said disallowances. Based on the nature of above demand pending which is disputed, no provision has been considered necessary.

39.2.2 Sales Tax demands amounting to ₹ 0.72 lakhs (As at 31-03-2019: ₹ 68.32 lakhs) have been disputed by the Company and necessary appeals have been filed. Based on the nature of demand pending which is disputed, no provision has been considered necessary.

39.2.3 Central Excise demands amounting to NIL (As at 31-03-2019: ₹ 141.17 lakhs). Management after analysing each cases opted for Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019 and settled all the disputed appeals considering litigation cost involved.

39.2.4 In respect of the electricity matters relating to our Textile Division, the Company has filed appeals / writ petition for ₹ 291.87 lakhs (As at 31-03-2019: ₹ 291.87 lakhs) against various subject to the matter of the appeal and the same is pending with Tamilnadu Electricity Regulatory Commission (TNERC) / Honourable High Court / Honourable Supreme Court for resolution. The Company is confident of resolving the matter in its favour and hence no provision is made in the books of accounts.

39.2.5 The Company had received two letters from Tamilnadu Generation and Distribution Corporation Limited (TANGEDCO) in the year 2000 and 2003 respectively claiming an amount totalling to ₹ 27.41 lakhs towards alleged violation of the terms and conditions of supply of electricity. The Company has deposited a sum of ₹ 16.87 lakhs on various dates under protest and filed writ petition before the Honourable High Court of Madras in the year 2003 and the same has been admitted during the 2018-19. The Management is confident of resolving the matter in its favour and hence no provision is made in the books of Accounts.

39.2.6 Under Tamil Nadu Electricity Regulatory Commission (Renewable Energy Purchase Obligations) Regulations 2010, consumers owning grid connected captive power generating plants and open access consumers with a sanctioned demand of more than 2 MVA are obligated to consume a minimum of 0.5% of their energy requirements from solar sources. The non-complainants are required to purchase Renewable Energy Certificates (REC) from markets @ 1 REC per 1,000 units of shortage or deposit an equivalent amount in a separate designated fund. Even though the Company is consuming wind energy generated from its own wind farms, it has been excluded for reckoning the obligatory consumption, since the Company has wheeling and banking arrangement with TNEB. Aggrieved, the Company including other affected producers have approached the Honourable High court of Madras and obtained an interim stay against the implementation of the said regulation.

**NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

39.2.7 The Company had put up a plant in Silvassa in The Union Territory of Daman, Diu, Dadra and Nagar Haveli in the year 1998 and availed VAT and CST exemption for the period of 15 years ending on March 2013 based on a certificate of exemption given by appropriate authority in exercise of powers conferred on it by relevant provision of the CST Act, 1956. This power of granting exemption was withdrawn with retrospective effect by an amendment in Finance Act 2002 and the sales tax department has followed it up by issuing a circular for compulsory production of concessional sales tax forms for availing CST exemption. The differential sales tax liability for the year 1998 to the year 2002 works out to ₹ 37 Crores. However, the Company was not in receipt of any demand from the appropriate authority. Aggrieved by the department circular and as an additional precaution, the Company had filed an appeal with Bombay High Court and the Bombay High Court has quashed the circular issued by the Commercial tax department, Silvassa, The Union Territory of Daman, Diu, Dadra and Nagar Haveli thereby allowing continuance of CST exemption even after amendment of relevant provision of CST Act, 1956 by the Finance Act, 2002. But the department of Commercial Tax, Silvassa has preferred an appeal against the Bombay High Court order before the Honorable Supreme Court and the adjudication and the court hearing is in process pending final disposal by the Honorable Supreme Court.

Based on the decision of Bombay High Court and interpretations of other relevant provisions, the Company has been legally advised that there will not be any demand likely to be raised or if the demand is raised it is likely to be deleted or substantially reduced and accordingly no provision is considered necessary.

39.2.8 The Company received a notice from the Department of Revenue Intelligence (DRI) for an amount of ₹ 41.23 lakhs excluding interest and penalty pertaining to the year 2009-10 for short payment of customs duty to the extent of utilization of DEPB Scrip's purchased in the open market by the Company and which were originally obtained by the ultimate export firms fraudulently as alleged by the DRI. The Company had denied the allegations made in the notice in so far as they relate to the Company's role is concerned and also the obligation to pay the duty demanded in the notice vide its letter dated August 4, 2014. We attended the personal hearing before the assistant commissioner of customs JNPT Mumbai during October 2016 and awaiting for the favorable order. The Management is confident of resolving the matter in favour of the Company and hence no provision is considered necessary.

39.2.9 The Government of West Bengal enacted "The West Bengal Tax on Entry of goods into Local Areas Act, 2012" and writ petitions was filed by RIL challenging the validity of the said Act. The Calcutta High Court passed order on 20.04.2017 stating that it is no longer retains the jurisdiction over the subject writ petition and directed "West Bengal Taxation tribunal" to decide the case. The Company has filed additional petition with "West Bengal Taxation tribunal" during the FY 2018-19. The company has not received any demand.

#### 45. Disclosure of Fair value measurements

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

#### 46. Financial Risk Management

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

**Credit Risk**

Credit Risk is the risk of financial loss to the Company if the customer or counter-party to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

**Receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Carrying amount of trade receivables net of impairment	5,603.61	3,662.72	58.31	9,324.64

**Financial Instruments and Cash deposits**

Investments of surplus funds are made only with the approved counter-parties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

**NOTES ACCOMPANYING SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

**Liquidity Risk**

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

**Financial arrangements**

The Company has access to the following undrawn borrowing facilities:

**Foreign Currency Risk**

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

**The Company's exposure to foreign currency risk (un-hedged) as detailed below:**

### Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/ floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position. ## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### INDEPENDENT AUDITOR'S REPORT

To the Members of RAMCO INDUSTRIES LIMITED

#### Report on the Audit of the Consolidated Financial Statements

##### Opinion

We have audited the Consolidated financial statements of RAMCO INDUSTRIES LIMITED ("the Holding Company"), its subsidiaries and its associates (collectively referred to as "the Company" or "the Group"), comprising of the consolidated balance sheet as at 31<sup>st</sup> March 2020, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2020, and the consolidated profit, and its consolidated cash flows for the year ended and consolidated changes in the equity on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Emphasis of Matter

We draw attention to Note No. 49 to the consolidated financial statements, which describes the uncertainties and the impact of the COVID 19 pandemic on the operations and results on financial results. The Management has assessed that there is no material impact on the financial statements due to lockdown and related restrictions imposed towards controlling the COVID 19 pandemic. Our opinion is not modified in respect of this matter.

The auditors of respective companies have reported an Emphasis of matter in this regard in their reports of the respective companies. Our opinion is not modified in respect of this matter.

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p><b>Adoption of Ind AS 116 Leases</b></p> <p>The Company has adopted Ind As 116 with effect from 1<sup>st</sup> April 2019 using Modified Retrospective Approach. The application and transition to this new accounting standard is complex and involves significant judgment and estimates made by the management which includes measuring of liability for all leases.</p> <p>The company has adopted the Modified Retrospective Approach method for transition to IndAS 116, consequently comparative figures for the previous years have not been restated and continue to report under Ind AS 17.</p> <p>(Refer to Note No. 4.6 to the Consolidated Financial Statements)</p>	<p><b>Principal Audit Procedures</b></p> <p>Our Audit procedures involved review of the company's Ind AS 116 implementation process, and key judgments made by management evaluation of lease agreements/ arrangements on sample basis and comparison of the same with management's evaluation and assessment. We also evaluated the computation of lease liabilities and the discount rates adopted.</p> <p>Our tests on sample basis focused on reviewing the key terms and conditions of the lease agreements and obtaining evidence for the estimated useful live of right of use assets.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures the Consolidated financial statements.</p>
2	<p><b>Recognition and measurement of deferred taxes</b></p> <p>The recognition and measurement of deferred tax items requires determination of differences between the recognition and the measurement of assets, liabilities, income and expenses in accordance with the Income Tax Act and other applicable tax laws including application of ICDS and financial reporting in accordance with Ind AS.</p>	<p><b>Principal Audit Procedures</b></p> <p>The key matter was addressed by performing audit procedures which involved assessment of underlying process and evaluation of internal financial controls with respect to measurement of deferred tax and assessment of the items leading to recognition of deferred tax in light of prevailing tax laws and applicable financial reporting standards.</p>

**CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES**

S. No.	Key Audit Matter	Auditor's Response
	<p>Assessment of Deferred Tax Assets is done by the management at the close of each financial year taking into account forecasts of future taxable results.</p> <p>We have considered the assessment of deferred tax liabilities and assets as a key matter due to the importance of management's estimation and judgment and the materiality of amounts.</p> <p>(Refer to Note No. 4.4.4, 4.4.5 and 4.4.6 to the Consolidated Financial Statements)</p>	<p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the consolidated financial statements.</p>
3	<p><b>Evaluation of uncertain Tax Position/ Other contingent liabilities</b></p> <p>The Company has material uncertain tax position in respect of possible or actual taxation disputes, litigations and claims. The provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various legal forums.</p> <p>(Refer to Note No. 39 to the Separate Financial Statements)</p>	<p><b>Principal Audit Procedures</b></p> <p>The Audit addressed this Key Audit Matter by assessing the adequacy of tax Provisions by reviewing the management's underlying assumptions in estimating the tax provisions and the possible outcome of the disputes.</p> <p>We reviewed the significant litigations and claims and discussed with the Company's legal counsel, external advisors about their views regarding the likely outcome and magnitude of and exposure to relevant litigation and claims.</p> <p>We also reviewed the relevant judgements and the opinions given by the company's advisers, which were relied on by the management for such claims.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the Separate financial statements.</p>
4	<p><b>Existence and impairment of Trade Receivables</b></p> <p>Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business, the requirements of customers and various contract terms are in place, there is a risk that the carrying values may not reflective of their recoverable amounts as at the reporting date, which would require an impairment provision. Where there are indicators of impairment, the company undertakes assessment of the recoverability of the amounts. Given the magnitude and inherent uncertainty involved in the judgement, in estimating impairment assessment of trade receivables, we have identified this as a key audit matter.</p> <p>(Refer to Note No. 12 to the Consolidated Financial Statements)</p>	<p><b>Principal Audit Procedures:</b></p> <p>We performed audit procedures on the assessment of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of impairment on trade receivables requires judgement and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable.</p> <p>We also reviewed the system of obtaining monthly confirmation from the customers, which are kept in electronic mode by the company. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures.</p> <p>Furthermore we assessed the adequacy and appropriateness of the disclosures in the consolidated financial statements.</p>

**Information Other than the Consolidated Financial Statements and Auditors' Report Thereon**

The Holding Company's management and board of directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit/loss including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its Associates and Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the entities included in the Group and of its subsidiaries and associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the entities included in the Group and of its subsidiaries and associates are responsible for assessing the ability of each entity and of its subsidiaries and associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and of its subsidiaries and associates are responsible for overseeing the financial reporting process of each entity.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness this assumptions. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Company and Subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

- (a) The Consolidated Financial Statements includes financial performance of a foreign branch which reflects total assets of ₹ 200.01 Lakhs, total revenue of ₹ 112.89 Lakhs and net cash inflow amounting to ₹ 21.21 Lakhs for the year ended on 31<sup>st</sup> March 2020, which was audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the consolidated financial statements solely based on such audited financial statements.
- (b) The Consolidated financial statements reflects the Group's share of total assets of ₹ 17,990.13 Lakhs as at 31<sup>st</sup> March 2020, the Total revenue of ₹ 18,201.13 Lakhs and net cash outflow of ₹ 705.68 Lakhs for the year ended 31<sup>st</sup> March 2020 of Two foreign subsidiaries, which were audited by independent auditors in accordance with the regulations of that country and whose report has been furnished to us and has been considered in the consolidated financial statements solely based on such audited financial statements. Our opinion is not modified in respect of this matter.
- (c) The audited statements as per Ind AS of One Subsidiary Company, included in the consolidated financial results year to date reflect total assets of ₹ 1,287.08 Lakhs as at 31<sup>st</sup> March 2020, the total revenue of ₹ 164.04 Lakhs and net cash inflow of ₹ 0.03 Lakhs for the year ended 31<sup>st</sup> March 2020, which was audited by one of us.
- (d) The audited financial statements as per Ind AS of Two associate companies included in the consolidated annual financial results year to date, whose consolidated financial statements reflect the net profit after tax of ₹ 10,527.89 Lakhs for the year ended 31<sup>st</sup> March 2020 audited by us and some other independent auditors. These audited financial statements as per Ind AS and other financial information.
- (e) We did not audit the financial statements of Four associate companies included in the consolidated annual financial results year to date, whose consolidated annual financial statements reflect the net profit/(loss) after tax of ₹ (468.11) Lakhs for the year ended 31<sup>st</sup> March 2020. These financial statements as per Ind AS and other financial information are un-audited and have been furnished to us by the management, and our opinion is based solely on the financial results year to date, to the extent they have been derived from such un-audited financial statements.
- (f) Our attendance at the physical inventory verification done by the management was impracticable under the current lockdown restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 "Audit Evidence - Specific considerations for selected items" and have obtained sufficient audit evidence to issue our un-modified opinion on these consolidated financial results.

Our opinion on the statement is not modified in respect of these matters.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is based on the financial statements/financial information certified by the Management.

### Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

- (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- (e) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “Annexure”, which is based on the auditor’s reports of the company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reason stated there in.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and best of our information and according to the explanations given to us, the remuneration paid to the directors during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provision of section 197 (16) of the Act. The remuneration paid to any director by the Holding company and its subsidiaries which are incorporated in India, is not in excess of limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

- (i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended;

In our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its subsidiaries and associates.
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies incorporated in India during the year ended 31<sup>st</sup> March 2020.

### ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Paragraph (g) of Report on Other Legal and Regulatory Requirements of our Report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Ramco Industries Limited (The Holding Company) as of and for the year ended 31<sup>st</sup> March 2020, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies which are companies incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### Opinion

In our opinion, based on the test checks conducted by us, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company caters mainly to the domestic markets. The Company is also engaged in sale of surplus electricity generated from its windmills after meeting its captive requirements.

The Consolidated financial statements of the Company for the year were approved and adopted by Board of Directors of the Company in their meeting dated 19-06-2020.

#### 2. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

- 2.1 The Company has prepared its financial statements in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time. The Srilankan subsidiary accounts have been prepared in conformance with Sri Lanka Accounting Standard for Small and Medium - sized Entities (SLFRS for SMEs).
- 2.2 Pursuant to General Circular No.39/2014 dated 14.10.2014 issued by the Ministry of Corporate Affairs that the disclosures made already under the standalone financial statements are not merely repeated and thus the disclosures that are relevant arising out of consolidation have only been presented
- 2.3 The CFS comprises the financial statements of the Ramco Industries Limited, its Subsidiary Company and Associate Companies, The list of Companies which are included in consolidation and the parent Company's holding and voting rights therein are as under:

Name of the Subsidiary	% of ownership interest	
	31.03.2020	31.03.2019

\* Previously known as M/s Ontime Industrial Services Limited.

The above companies are incorporated in India and Financial statements of the respective companies are drawn up to the same reporting date as that of the parent company

**NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020**

- 2.4 The significant accounting policies used in preparing the financial statements are set out in Note No.4
- 2.5 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- 2.6 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- 2.7 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- 2.8 The financial statements are presented in Indian Rupees rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

Principles of Consolidation

- 2.9 The CFS of the parent Company and its subsidiary Company have been consolidated on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after elimination of intra-group balances and intra-group transactions resulting in unrealized Profits / Losses
- 2.10 The CFS has been prepared using uniform accounting policies for like transactions and other events in similar circumstances and is presented, to the extent possible, in the same manner as the parent Company's standalone financial statements.
- 2.11 Non-controlling interest in the net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the parent Company's shareholders. Non-controlling interest in the net assets of consolidated subsidiary consists of:
  - A. The amount of subscribed equity share capital attributable to minority shareholders during the year
  - B. The minority share of movement in equity since the date the parent subsidiary relationship came in to existence
- 2.12 The CFS includes the share of profit / loss of the associate companies that are accounted for using equity method in accordance with Ind AS 28. Accordingly, the share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added / deducted from the cost of investment. The most recent available financial statements of the associate are used by the company in applying the equity method.
- 2.13 Under equity method of accounting, the investments are initially recognized at the fair value of net asset of Associate Company from the date on which it becomes as associate and any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows:
  - A. Goodwill relating to an associate is included in the carrying amount of the investment and the same is not amortised.
  - B. Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is recognised directly in equity as capital reserve in the period in which the investment is acquired.

Subsequently, the carrying amount of investment is adjusted to recognize the Company's share of post-acquisition profits or losses of the Associates in the profit & loss and also its share of Other Comprehensive Income (OCI) of the Associate Company separately under Other Comprehensives Income.
- 2.14 Dividend received or receivable from Associates are recognized as a reduction in the carrying amount of the Investment
- 2.15 Unrealised gains on transactions between the group and its associates are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.
- 2.16 At each reporting date, the Company determines whether there is any objective evidence that the investment in the associate is impaired, If there is such evidence, the company provides for impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognized the loss as "Share of profit of an associate" in the statement of profit or loss.
- 2.17 The statement of profit and loss reflects the company's share of results of operations of its associates. Any change in OCI of those investees is presented as part of the Group's OCI.

**3 BASIS OF MEASUREMENT**

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 4.18 - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Inventories

4.1.1 Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.

4.1.2 Process stock is valued at moving weighted average cost including the cost of conversion with systematic allocation of production overheads, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.

4.1.3 Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

4.2 Cash Flow Statement

4.2.1 Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

4.2.2 Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.

4.2.3 Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

4.3 Dividend distribution to Equity shareholders

Final dividend distribution to shareholders is recognised in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes (if any) is recognised directly in Equity.

4.4 Income Taxes

4.4.1 Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income tax Act, 1961 and other applicable tax laws.

4.4.2 Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.

4.4.3 Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.

4.4.4 Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.

4.4.5 Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

4.4.6 Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.

4.4.7 Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

4.5 Property, Plant and Equipments (PPE)

- 4.5.1. PPEs are stated at cost of acquisition or construction (net of GST wherever eligible and applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

The company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major inspection/overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

- 4.5.2. PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- 4.5.3. PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 4.5.4. Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value or any value whichever is less, except for process control systems whose residual value is considered as Nil.
- 4.5.5. Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion/ disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- 4.5.6. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

**Capital Work in progress**

- 4.5.7. Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.

4.6 Leases

- 4.6.1. The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous figures has not been restated and continue to be reported under Ind AS 17.
- 4.6.2. Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable leases is more than 12 months, at the present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability, adjusted for prepaid lease payments recognised in the balance immediately before the date of initial application.
- 4.6.3. The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is dependent on the use of an underlying asset and the arrangement conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

- 4.6.4 The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- 4.6.5 The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.
- 4.6.6 The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.
- 4.6.7 The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities in 'Financial Liabilities' in the Balance sheet.
- 4.6.8 The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a Lessor

- 4.6.9 The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

- 4.10.5 In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the moving average rate during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Exchange Fluctuation Reserve.
- Foreign Branch Operations**
- Income and expenditure transactions are translated to functional currency using monthly moving average exchange rate.
- Monetary assets and liabilities of foreign branch as at the reporting date are translated to the functional currency at the exchange rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.
- Non-monetary items of foreign branch are carried at historical cost denominated at functional currency and are reported using the exchange rates at the transaction date.
- 4.11 **Borrowing Costs**
- 4.11.1 Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- 4.11.2 Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the general borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. To the extent that funds are borrowed specifically for the purpose of obtaining a qualifying asset, the amount of borrowing cost eligible for capitalisation on that asset is determined as the actual borrowing costs incurred on that borrowing during the period less any income on the temporary investment of those borrowings. The amount of borrowing cost that the Company capitalises does not exceed the amount of borrowing cost incurred during that period. All other borrowings cost are expensed in the period in which they occur.
- 4.12 **Earnings per Share**
- 4.12.1 Net profit after tax is divided by the weighted average number of equity shares including un-allotted bonus shares outstanding if any, during the year, after deducting treasury shares which represents holding of its own shares indirectly through associates by way of reciprocal interests.
- 4.12.2 Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.
- 4.12.3 The Company do not have any potential equity shares.
- 4.13 **Impairment of Non-Financial Assets**
- 4.13.1 The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.
- 4.13.2 Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- 4.13.3 An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- 4.13.4 An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.
- 4.14 **Provisions, Contingent Liabilities and Contingent Assets**
- 4.14.1 Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

- 4.14.2 Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- 4.14.3 Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.
- 4.14.4 Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.
- 4.15 Intangible Assets
- 4.15.1 The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- 4.15.2 The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- 4.15.3 The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.
- 4.16 Investment Properties
- 4.16.1 An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- 4.16.2 Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- 4.16.3 The company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- 4.16.4 Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- 4.16.5 The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.
- 4.17 Operating Segments
- Operating segment has been identified on the basis of nature of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker.
- The Company has three operating/reportable segments viz. Building products, Textile and Wind power generation.
- The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.
- Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.
- 4.18 Financial Instruments
- 4.18.1 A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

4.18.2 Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

4.18.3 The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

Financial Assets

4.18.4 Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

4.18.5 Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortised cost; or
- b) Fair value through other comprehensive income (FVTOCI); or
- c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

4.18.6 The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.
FVTPL	Investments in mutual funds, forward exchange contracts.

4.18.7 Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### NOTES ACCOMPANYING CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2020

- 4.18.8 Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.
- 4.18.9 For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

#### Financial Liabilities

- 4.18.10 Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.
- 4.18.11 The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

- 4.18.12 Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- 4.18.13 Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- 4.18.14 Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

#### 4.19 Fair value measurement

- 4.19.1 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- 4.19.2 The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- 4.19.3 All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

4.19.4 For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

4.19.5 For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

4.19.6 The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

### *Investments in Equity / Mutual Funds*

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

### *Trade and other receivables*

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

### *Forward exchange contracts*

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

### *Non-derivative financial liabilities*

The fair value of non-derivative financial liabilities viz, soft loan from government, deferred sales tax liability, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

### *Financial guarantee obligation*

The fair value of financial guarantee obligation with reference to loan availed by subsidiary/associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

### *Investment Properties*

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

## 5. SIGNIFICANT ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

### *Property, Plant and Equipment, Intangible Assets and Investment Properties*

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

### *Current Taxes*

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

## CONSOLIDATED FINANCIAL STATEMENTS OF RAMCO INDUSTRIES LIMITED AND ITS SUBSIDIARIES

### *Deferred Tax Asset (Including MAT Credit Entitlement)*

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

### *Contingent Liabilities*

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

### *Impairment of Trade receivables*

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

### *Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)*

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

### *Defined Benefit Plans and Other long term benefits*

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

### *Fair value measurement of financial instruments*

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value the inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

### *Interests in other entities*

The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights. Significant management judgement is exercised in determining the interests in other entities to determine whether such associates are individually immaterial or not for the purpose of disclosure requirements.

45. DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The details of financial instruments that are measured at fair value on recurring basis are given below:

46. FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

**Credit Risk**

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

**Receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company maintains adequate security deposits from its customers in case of wholesale and retail segment. The exposures with the Government are generally unsecured but they are considered as good. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Carrying amount of trade receivables net of impairment	8,920.33	539.94	9,460.27

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with banks, and also investments made in mutual funds. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Financial arrangements

The Company has access to the following undrawn borrowing facilities:

**Foreign Currency Risk**

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of raw material, capital goods and spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company's exposure to foreign currency risk (un-hedged) as detailed below:

Currency	Trade Payables	Trade and other Receivables	Balance with Banks	Foreign Currency Loan
USD in Millions				
As at 31-3-2020	0.91	2.53	0.17	1.86

USD	40.13	(40.13)	36.54	36.54
LKR	-	-	-	-

**Cash flow and fair value interest rate risk**

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/ floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

**Interest rate risk exposure**
